

# CRIMEWATCH

# HERE WE COME!!

Do you want the Town to have good facilities and look appealing to visitors?

Most residents do BUT... unfortunately the minority are really spoiling it for the majority, which could sadly jeopardise service provision in our Town. The Town Council have worked well with Cornwall Council to take on the public conveniences in New Road for residents and visitors but, yet again, there has been a spate of vandalism. During the first weekend in March, all three gents' toilets were blocked up with burnt paper towels and rubbish. The paper towel dispensers were all fire damaged and there was also damage to the ceilings and burn marks in the premises. The Town Council staff have worked tirelessly to clean up this mess and replaced the damaged items but this all comes at a cost to **YOU** through your Council Tax. Needless to say we have reported this matter to the Police and will be using CCTV footage for evidence. Don't abuse it...or you'll lose it!

Sadly, even when the toilets are closed, they are being mistreated. Bagged dog poo is often forced through the locked gates. What is particularly annoying and disheartening, is that within a few metres of the toilet entrances is a public bin, which can be used to deposit such items. Please remember that dog mess can be put in public bins and likewise you can put dog mess out with your domestic waste. This matter has been confirmed by Cornwall Council. However, if you accommodate a large number of dogs at your home or premises, such as a kennels, please contact Cornwall Council who can make arrangements with their contractor, Cory to collect large amounts of dog waste.

Wherever you are, please be considerate to the Town, treat it with respect and 'SCOOP THE POOP'. At the time of writing this article we have had to pick up five piles of dog mess in the Pannier Market. However, our CCTV footage has again turned up trumps and we have caught the culprit on camera or should we call that the 'poop-pertrator'.

## News from the Town Council

**CEMETERY NEWS** - For those of you that visit the Cemetery at Liskeard Road, you may be aware from our article last month, that we have been inviting comments on whether to restrict vehicular access. We thank those of you that have responded on this matter, we do appreciate your feedback. As part of the Cemetery review, Councillors have taken the decision to improve the curbing along some of the pathways, in an effort to deter vehicles from driving on the grass. Staff have put out markers where the new curbing will be positioned and these will be in situ for a month, giving you opportunity to appreciate the forthcoming changes. We are in the process of making contact with those families that have a grave near the paths as a matter of courtesy but as you we are sure you will understand, we may not have up-to-date details for everyone, so your co-operation is valued.

**GRASS CUTTING** - With Spring also comes the start of the grass cutting season, and we would just like to remind everyone about the changes to our grass cutting contract with Cornwall Council (as mentioned in the February newsletter and in the local press). At present we have a contract with Cornwall Council to complete some of the highway verges. Cornwall Council has sent through details on where we (the Town Council) should be cutting the grass around the Town and where areas of grass fall under the responsibility of either Cornwall Housing or the property owner. This relates to some patches of grass that are often very close to a property and the housing authority/owner has the responsibility of such maintenance. A letter drop has been done by the Town Council to those properties that may be affected, namely Newport and Coronation Close. Please be assured of the Town Council's best endeavours to get everyone suitably informed and aware of any changes. Detailed maps relating to the grass cutting contract will be on display in the public notice board by Lloyds Chemist on New Road.

In the meantime, if you have any queries, please come into the Town Hall and discuss with us.

## Heritage Centre Opening

The Heritage Centre opens this year on Friday 3rd April 2015 at 10.00am – 4.00pm, so why not be one of the first to come along and see the new Exhibition entitled "Then and Now" based on our wonderful photo archive. Callington is indeed fortunate to have had three generations of Gimblett's in the Town and for those not familiar with that name, suffice to say, they were the Town's Photographers of note. Over the decades they took Family groups, Portraits, Personalities, Events, Businesses and of course all against the changing backdrop of the Town itself. A remarkable resource. Indeed Terry Gimblett still provides professional help and advice for which we are always grateful. It has also been resolved to liberate some of the many hidden gems we have in storage, some not having seen the light of day for many a year.

In the interim, we have had another visit from Bearn's Hampton & Littlewood for a Valuation Day, visitors clutching their Antiques and Collectables even came from as far afield as Launceston!

Following our Appeal for Stewards/Volunteers in last month's News we have had a promising response. That's not to say we are at all satisfied or where we need to be, **we still need fresh input**, so don't put it off, **get in contact today**. Our opening hours are dictated by availability of Stewards, so the more we recruit, the more options we have. Currently from April 3rd we will be opening every Friday 10.00am – 4.00pm and the first Saturday of the Month.

## Cornwall Army Cadets need you!

**Aged 21 or over? Want to shape the future of young people?**

Like the idea of inspiring and leading young people to achieve things they never thought possible? Looking for something exciting to do in your spare time?

Then how about becoming an Army Cadet Force adult volunteer? With over 600 cadets (aged 12-18) all over Cornwall, the ACF is one of the county's largest voluntary youth organisations. We are currently looking for new adult volunteers in our detachments all across Cornwall. For details of your local detachment, please go to [www.armycadets.com](http://www.armycadets.com).

No particular experience is required and we provide all necessary training. So if you can give up an evening a week and want to do something different with your free time, this could be exactly what you are looking for.

For most people volunteering is about 'giving something back', socialising and making new friends, or getting to know the local community. Others enjoy feeling like a valued member of a team, finding a worthwhile hobby that gives them quality time away from work or a busy lifestyle, or knowing they are making a difference to the lives of young people.

To find out more, please visit [armycadets.com/volunteer-with-us](http://armycadets.com/volunteer-with-us) or call Bodmin Cornwall ACF Headquarters on 01208 78183.

## NEWS FROM CALLINGTON COMMUNITY COLLEGE

During half term students from Callington Community College visited Spain and Gambia. This is the fifth year of the Spanish Exchange and students really enjoyed the experience of attending lessons in a different school and many new friendships have been formed over the years. We look forward to welcoming the Spanish students in April. The trip of a lifetime for the Sixth Form students visiting Gambia was something they could never forget, immersing themselves in a new and challenging way of life to truly experience a culture world's apart from the one they know.

*Sixth form students in the Gambia*

Four Year 10 students, Aidan Haynes, Elliot Tratt, Fred Stephens and Jack Troup have outperformed the FTSE 100 share index and secured a place in the semi-finals of a national investment competition. In doing so, the Troup Intl team beat not only the professionals, but also more than 30,000 other students across the UK in the ifs Student Investor Challenge. The students made nearly £20,000 dealing in virtual shares in just three short months of trading and will now represent the College at the semi-final, to be held later in March.

Students in Year 8 have been working on an art project for the Eden Project. The challenge was to decorate two boards with a theme that focused on renewable energy. The groups came up with two famous paintings and then added their own 'renewable elements' to them. The landscapes are The Starry Night by Vincent van Gogh, painted in June 1889, but with added wind turbines! The other is Garrowby Hill by David Hockney with added solar panels on the house in the forefront. The boards, now on display at the Eden Project, will be used to cover the core and other areas that are undergoing developments and refurbishing.

Eight GCSE Chinese students from Years 9 and 10 attended The Cornwall School of Tourism & Hospitality at St Mellion for a Chinese enterprise competition along with students from three Plymouth schools. They had to create a tourist video promoting Bude as an area for Chinese tourists, as well as performing a small presentation about how they prepared the video. They wrote their script and then recorded voiceovers in Chinese for the different topics which included food, leisure activities, accommodation and scenery. The students came second just two points behind the winners.

As part of the training for students attending the Beauty College based at the College it is necessary for them to have clients who visit The Beauty College for treatments throughout the academic year. Without clients students cannot pass their assessments and will therefore not pass the course. All treatments that are carried out by students during their training are observed by fully trained and experienced Beauty Therapy teachers. So if you fancy a treatment and to find out what is available and costs or to book an appointment contact the Beauty College on 01579 386011.

## LADIES LUNCHEON CLUB

On Wednesday 4th March twenty one ladies came together once again for our social gathering and lunch at the Boot Inn, Calstock. It was such a delight seeing them all so happy and looking forward to each others' company.

We are all middle aged ladies who look forward to sharing news, views, ideas and experiences. It is always inspiring hearing personal stories of achievements with the bonus of pleasant surroundings and good food, it is always a lovely day to look forward too. Our number has slightly risen to thirty-four ladies, so will stop at that number as we do not want the group to get too big.

Our next luncheon will be on Wednesday April 1st at the Royal Oak, Horsebridge meeting at 12.00 noon for 12.20pm start. Ladies, I hope you are able to join us.

## CALLINGTON WOMENS INSTITUTE

This year is the Centenary of the WI and a large number of events have been organised by National, County and local WIs. Recently the WI baton toured Cornwall and some members went along to several of the locations to be a part of the celebrations, where they had the opportunity to hold the baton and also meet up with other members of WIs.

Callington WI members have again been very busy baking, as they supplied refreshments for the 'WW1 Project Party', an excellent spread as always by the WI.

We also held our Annual Dinner on 4<sup>th</sup> March in Callington Town Hall. Members enjoyed a delicious dinner prepared by Emma from the Hideaway Café in Callington, this gave members time to relax and enjoy the company.

Callington WI meets in the Town Hall Council Chamber on the second Wednesday of the month at 7.30pm. On Wednesday 8<sup>th</sup> April our speaker is Anthea Lay, she has been on TV 'The Great Painting Challenge'. We would be delighted if you would like to come as a visitor to see if joining the WI is for you.
