Let’s Leave a Legacy

A massive thank you to everyone that took the time to complete the Neighbourhood Plan questionnaires and send them back into the Town Council. We are delighted with the level of responses and will be spending the forthcoming weeks analysing your feedback in order to formulate policies for the Town. It is so important that we start thinking, not of the present, but of the future of our Town and of the generations to come. Our ability to reflect on the positive aspects and address any weak points will equip us to make a forward thinking plan and enable us to manage change efficiently and effectively.

With the aid of a professional Town Planner we will develop a robust Plan to put forward to Cornwall Council. Before it is finalised there will be further opportunities for you to see what YOU said and feel about your Parish, and to positively enhance the proposed suggestions. We have collected an enormous amount of data and this will stand us in good stead for shaping the Town in accordance with your priorities and aspirations.

If you would like to enter the quiz to help raise money for the Cornish Charity Shelterbox, please go to the Callington Rotary website at www.callington.rotary1175.org. The quiz is sponsored by Barclays Bank PLC who will be matching the donations up to £750. The minimum donation for entering the quiz is £1.

The Rotary Club of Tiverton is also supporting the quiz, devised by one of its members, by paying for the prizes (£100) and expenses. Copies of the quiz can also be collected at the Town Hall.

For those not on the internet and not able to pick up a copy please send an SAE to 11 Aubyns Wood Rise, Tiverton EX16 5DG.

Roman Catholic Community
Fr. David Annear was recently appointed to care for the Catholics in Callington. He is interested in finding out something of the Church building’s history. If anyone has a photo of the original “tin tabernacle” built in 1931 and demolished in 1954, he would be grateful to borrow it for a short time.

Both these offices will be closed on Wednesday 7th October due to Honey Fair. You can call the Town Clerk’s office on 01579 384039 and leave a message on the answer machine and a member of staff will get back to you on Thursday, alternatively, you can email the Town Clerk at clerk@callington-tc.gov.uk.

For any Cornwall Council matters/issues, please call their general enquiries telephone number on 0300 1234 100. The One Stop Shop will re-open on Friday 9th October.
Well it has been an interesting season and can you believe it, we are, as I write this at the end of August, only two months away from Winter closure. The display of Carnival photographs from Jim Thorington continues to build, what we need now are more names to faces. These are wonderful photos of Carnival Queens, Carnival Floats and walking entries from 1970 through to the early 1990s as entered by the PrimRaf, Guides, Scouts, Schools, Majorettes, Dance Schools and other Callington groups. Judging by many of the entries, drag never seems to go out of fashion! So come along and see if you can help.

On a more serious note, if you live in Callington or S.E. Cornwall (if you are reading this, then one presumes you do), are you interested in the history of your house, farm, smallholding, pub, shop and its boundaries? We have uncovered in folders the details of the Sales/Auctions of large Estates ordered by the Government just after WWI. The folders contain details of each Lot complete with photos and descriptions of buildings/outbuildings, the names of the tenants, names of the purchasers and prices paid. These auctions took place at The Royal Hotel, Plymouth, Goldings Hotel, Callington, and Corams Hotel, Saltash. The principal Estates are The Quethiock Estate, St Ive & Callington, The Newton Ferrers Estate, Stoke Climsland, Botus Fleming. But don't be misled, we are talking big acreage here and they pretty much cover the whole area, with attendant maps. The story of these Sales and the scandal and uproar they caused with the tenants is well documented in a book. It mirrors Poldarks sale of his tin from Wheal Leisure! Hope you can make it along. Still opening every Friday 10am – 4pm and the first Saturday of the month, same hours.

Enquiries: Kay Greenstock 01579 383209 or Chris Cansfield 01752 851403.

Prim-Raf Theatre Callington
70th Anniversary Concert 15th to 17th October 7.30pm

A programme devised and directed by Margaret Parker for Callington Amateur Drama Society. We will transport you through the war years with a variety of songs, sketches, poems, music and even a cheeky excerpt from Allo Allo. Musical direction will be by Mark Smith and tribute acts include some of the famous entertainers of the era – Gracie Fields, Vera Lynn, Flanagan and Allen.

The Second World War years produced a rich selection of entertainment, from radio to live theatre. This programme is a unique blend that takes you through the early dark days, to the family entertainment that kept the British spirit alive and finally the celebrations of the war ending in 1945.

Prim-Raf Theatre is located in Biscombes Lane, Callington a building purchase by the Society in 1965 and has over the years been transformed into a theatre and community facility.

Tickets priced at £7.00 (under 16 £5.00) are available from: Noakes Habermehl & Kerr, 49 Fore St, Callington. Early booking is essential to avoid disappointment. For more information contact 01579 362269 fred.parker75@btinternet.com or go to the website www.primraf.com

Students and staff at Callington are celebrating outstanding GCSE, A level, AS and BTEC results again this year. Almost 100% of students studying for A level examinations and for BTEC qualifications achieved pass grades, many with high grades. A fantastic 43% of A level entries resulted in top grades of A*, A or B, including 21% at grades A* and A, and over 95% of students gained at least two A level or BTEC grades. A very creditable 83% of BTEC results were at Distinction or Distinction* level. These are all excellent achievements.

Congratulations to top Year 13 performers Chloe Fanning, Sam Mitchell and Emily Franz. Chloe achieved A* grades in Geography and Textiles and A grades in English Literature and Psychology as well as an A* for the Extended Project and will be going on to read English and Creative Writing at Falmouth University; Sam achieved an A* grade in Photography and Geography, A grades in Biology and Chemistry, and an A* for the Extended Project, and will be reading Biological Sciences at the University of Edinburgh; Emily achieved A* grades in Biology and Chemistry and A grades in Psychology, Mathematics and General Studies and will be reading Pharmacy at the University of Bath.

There have been many other outstanding performances. Eleanor Gosney achieved three A grades at A level, one A at AS level and an A* for the Extended Project and is going on to study Medicine at Kings College, London, while Martha Scott gained two A* and a B grade at A level and an A and a B at AS level. Amber Newman-Marks gained one A*, one A and a B grade at A level and will be reading Medicine at the University of Bristol, while Esme Moore gained two A* grades amongst her four A level grades and will be studying Fashion Photography at Falmouth University. Five students gained three Distinction* grades in Level 3 BTEC Extended Diplomas: Rosie Kerr, Lucy Rowlands and Jessica Worth in Health and Social Care, and Kayleigh Gatcum and Ben Jeffery in Sport. Scott Renfree-Tuck, Calvin Jordan, Ronald Pochat, Chris Walker, James Kneebone and Ben Schoenborn all achieved two A grades at A level amongst their other A level, AS level and Extended Project grades.

Many Year 12 students also achieved outstanding results. Congratulations go to Yve Taylor, Jess Hawkins and Harriet Stephens, who all gained four A grades in their AS levels, to Jenna Buxton, Lawrence Clarkson and Sam Allen for gaining three A grades, and to Alexandra Szuplewski, Beccy Ives, Tess Masselink and Allanah Taylor who gained two A grades each. Congratulations go as well to Sydney Jenkin for an A* grade at A level to go with an A and a B at AS level and to Carla Fraser for a Distinction* grade at BTEC and an AS level grade A.

There have been many outstanding performances: congratulations go to Freya Turley who achieved nine A* grades and four A grades; Holly Nevill who gained seven A* grades, five A grades and one B; Rose Maciver-Redwood who achieved seven A* grades, four A grades and two B grades; Olivia Thompson who achieved seven A* grades, three A grades and a Distinction; Eleanor Davies who achieved five A*grades, four A grades and one B; Megan Smith who gained five A* grades, five A grades, one B and one merit; Abigail Winstone, Gryffyn Abbott and Edward Whitely who all gained four A* grades and numerous A grades; and many other students who achieved the highest grades.

Principal, Sean Morris commented: “I am absolutely delighted by the achievements of all our students and I am very proud of them all. The progress made is the result of the dedication and commitment of our staff, the positive attitudes and determination of students and the high level of support received from parents throughout the year. My thanks and congratulations go to everyone involved”. 
An open letter from Rotarian Tony Rowe to the people of Callington and the surrounding area.

The generosity of the people who live and work in Callington is overwhelming.

As I step down from the honour and privilege of being President of the Rotary Club of Callington for 2014/15, I would like to thank Callington, from the whole club, for the support which you have shown in the past year.

One of the most humbling periods of my life was when we set up an emergency appeal for the victims of the Nepal earthquake. A remote part of the world which most people have never visited and may not even be able to point out on a globe. Standing in Tesco and Co-op, most people who walked by doing the family shopping, instinctively reached into their pocket and donated with a smile and a kind word. This appeal alone provided two complete Shelterboxes which each provide a full emergency pack for an extended family giving them shelter, warmth and dignity in their time of need. Shelterbox was born and bred in Cornwall and now has a worldwide reputation for being at the forefront of humanitarian and disaster relief.

Without your continuing support to our fund-raising efforts, we would not have been able to sponsor a pupil from the Community College to achieve her dream of helping people in Africa; we would not have been able to support the many charities and support groups in the local area, all of which we have thoroughly researched and believe provide cost-effective support to areas of great need.

In this last year, your generosity has helped us to support local charities such as CHICKS with support both financial and physical for events such as the Santa Fun Run; and we have continued to provide much needed support to those in need at the Memory Café in the Town Hall (which received the prestigious Callington Citizen of the Year award in my Presidential year), as well as continuing our assistance over many years with the Caradon Social Club for the Disabled. The coming together of the whole community to support the Callington Carnival, which was successfully re-established in 2008 with the active support of Rotary, and now once again part of the fabric of life in the town is particularly heart-warming. Assisting young people to gain confidence to face the world in events such as Young Citizen and Youth Speaks and linking with the local schools and Colleges could not be achieved without the vigorous and positive support of the teachers and parents.

Further afield, our main charity support has been to a magnificent organisation called Mercy Ships which provides much needed support in West Africa and the GoGo Trust supporting children in South Africa; all this in addition to supporting the nearly successful vision of Rotary International’s commitment to eradicate polio from the world – this year has seen Africa polio-free for the first time; with only remaining pockets in the Afghanistan/ Pakistan border.

None of this could happen without the generosity of the people of the Callington area and the tireless efforts of my fellow Rotarians. We are always looking for new members to join us and help carry on the good work, and it is great fun as well! If you are interested in helping to carry on this good work then please contact our Rotarian responsible for membership, Roy Barraclough on 01579350995 or e-mail roybarraclough@hotmail.com . Thank you

Walking in our Parish - response to last months letter

In response to the letter published in last months newsletter from a resident, about horse dung on pavements - you are absolutely right, this is not acceptable, no one wants to be dodging horse dung whilst walking on the pavement and, as a horse owner, I don’t see why it would be necessary for a horse to be ridden on the pavement unless it was to get out of the way of some maniac car driver!

However, your comment about horse owners picking up their horses’ droppings on the road is totally unrealistic and impractical. Riders cannot carry the tools required to do this whilst riding their horses and then carry it home? Really? This is rural Cornwall, where farmers move cattle and sheep from field to field every day leaving behind a trail of cow dung and sheep droppings. Are you expecting them to pick up after their livestock too? I think not. Horse manure, like cattle and sheep dung, is totally organic and does not pose the same threat to humans as dog faeces can. In fact, if collected while fresh, it can do wonders for your garden!

<td>&quot;Alfred Hitchcock’s classic thriller, &quot;The 39 Steps&quot;, has been playing at the Criterion Theatre in London, brilliantly and hilariously recreated for the stage as the smash hit Olivier Award Winning Comedy. And now fourthwall, a theatre company committed to providing access for the community to live performances of contemporary theatre, are bringing their production to Callington! This is an event not to be missed! Follow the incredible adventures of our handsome hero Richard Hannay, complete with stiff-upper-lip, British gung-ho and pencil moustache as he encounters dastardly murders, double-crossing secret agents, and, of course, devastatingly beautiful women. This wonderfully inventive and gripping comedy thriller features four fearless actors, playing 139 roles in 100 minutes of fast-paced fun and thrilling action. An absolute delight for the entire family, this production is &quot;impossible not to enjoy&quot;.</td>
<td>“Gone Girl”, directed by David Fincher and based upon the global bestseller by Gillian Flynn, unearths the secrets at the heart of a modern marriage. On the occasion of his fifth wedding anniversary, Nick Dunne (Ben Affleck) reports that his beautiful wife, Amy (Rosamund Pike), has gone missing. Under pressure from the police and a growing media frenzy, Nick's portrait of a blissful union begins to crumble. Soon his lies, deceits and strange behaviour have everyone asking the same dark question: Did Nick Dunne kill his wife? “Gone Girl&quot; is yet another awesome accomplishment by one of the best directors working today. The film excites and entertains with an ending that’s surprising to say the least.&quot;</td>

With Summer drawing to a close, we have now completed the grass cutting and weed spraying within the Town and will now be focusing on completing repairs and maintenance works with areas around the Town, namely the parks.

To give you an illustration of what the Town Council face on a regular basis, please see the photo opposite which was taken during the school holidays. Your Council Tax was spent on building a traditional Cornish hedge in keeping with our heritage, with material sourced locally. To find mindless acts of vandalism is disheartening and a waste of your money. If you see anyone damaging property in and around the Town please do come and tell us. We are going to be working much closer with the Police and will track down the culprits!

**Closer working the Police**

In the forthcoming months the Neighbourhood Policing Team at Callington will be moving into accommodation provided by the Town Council, within the Town Hall Complex. In addition to reducing Police revenue costs, this move will release the site of the existing Police Station and the generation of additional income which can be used to further support front line policing.

There will not be a reduction in the number of Police Officers or Community Support Officers as a result of this move. The move will further enhance the excellent working relationship Devon and Cornwall Police currently enjoy with Callington Town Council.

**Getting answers from Cornwall Council**

We are also working with Cornwall Council to review their assets and services in the Town in order to maintain them for the residents. We are already way ahead of many Town and Parishes having already adopted our Public Conveniences, verge cutting and weed spraying, to name a few. Top of the agenda is the future of the Library and One Stop Shop. The Town Council has expressed an interest in protecting this service provision for the Parish but need to ascertain the full costs in order to make an informed decision. Once we have a clear idea of how much it would cost to take on this service we will be asking you if this would be money well spent and if you are prepared to pay for, as ultimately, any increase in the Town Council costs are met by a rise in your Council Tax. If there is something that you think the Town Council should be doing, please let us know.

**NEWS FROM CORNWALL COUNCIL**

Summer seems now to be a distant, if slightly damp, memory for many of us and our thoughts turn to Autumn. At Cornwall Council, work continues with various departments to meet the budget cuts that were set in February’s budget. This has included quite severe cuts in the Planning service and Environment, both of which have very visible impacts on our community. The new cutting regime for verges outside of our town are now at a minimum level and road maintenance on all Class C roads (in Cornwall 75% of roads are Class C or lower) is now emergency maintenance only with a one yearly inspection.

Now we hear from Central Government that DCLG which partly funds local government has been asked to look at further cuts of between 25% and 40% on the already reduced figures. If 25% is chosen, then it appears Cornwall will escape lightly as they have already budgeted against proposed cuts of that level. If, however, they choose 40% then more savage cut backs in local services will be on the horizon. I will keep you updated on the potential impact once they have finished the Comprehensive Spending Review. On a separate note, many of our local organisations only survive thanks to the work of a small army of volunteers. This is the case with an organisation close to my heart, Callington Town Football Club. As they ease into the second quarter century of their existence the need for help, particularly on match days, remains. If anyone has a couple of hours to spare on a Saturday or Sunday and would like to be involved in this great organisation please do not hesitate to contact me either by email (andrew.long@callington-tc.gov.uk) or by phone 07812 597 257.
