

So what is really happening with the Library Service?

It's been a worrying few months for those who love our library. Rumours abound of potential closure, with no real clarity on when this might happen. County-wide cuts have meant that for many Parishes, most local library services have been, or will be, transferred to the local community to deliver, with Cornwall Council continuing to support the IT, stock and with specialist support and training.

So, before we go into any further detail, we want to clarify that your library service will not be disappearing from our town. There may be changes ahead, and this is something that is still being explored in order to find the best possible solution for our Parish. However, after discussing matters in depth with Cornwall Council, it has been confirmed that whatever happens, a library service will continue to be provided, but it may look significantly different to the current service.

So What Has Happened?

As some of you may have heard, Callington Town Council was asked if it wished to declare an interest in taking on the library service. In order to better assess the situation, questionnaires were circulated and a meeting was held to discuss the viability of running the service, and to gauge local feeling. That meeting was attended by several members of our Parish, and even some from surrounding areas, each of whom spoke in glowing tones about our library. It was incredibly apparent, from the questionnaires and at the meeting, that the library service in its current form means a tremendous amount to the Parish, and needed to be preserved to the highest standard possible.

With this in mind, the Town Council made a decision that it should petition Cornwall Council to protect the library; a meeting was arranged so the Town Council could explain its concerns and discuss potential options going forward. As you may have heard, the Town Council stated that it was not prepared to declare an interest at that time. The reasoning for this decision was that the Town Council would be doing a great disservice to the town if it did not challenge and hold Cornwall Council accountable for their statutory obligations.

As you know, the role of your local council is to protect the interests of the residents, and it would have been irresponsible to take on something as indispensable as the library service without a clear vision of how it could be sustained.

Meeting With Cornwall Council

Shortly thereafter, a few members of Callington Town Council met with members of Cornwall Council in what turned out to be an extremely productive and enlightening discussion. The Cornwall Councillors were sympathetic to the town's concerns, and offered reassurances that the library would not be closed, stating:

"Cornwall Council are looking for a sustainable solution for the Library Service in Callington. Although savings need to be achieved the aim is to maintain a library offer in the town. However, it is likely that the current service will change."

We are a Bible believing church who uphold the reformed evangelical faith. We are Christians who regularly meet for worship, prayer and the study of the Bible. We believe that the Lord Jesus calls for all people to be "born again" by faith in the sacrifice that He made on the cross. We preach Christ and Him crucified as the way of personal salvation. It is our responsibility to take this gospel of hope to all who will hear.

We meet for:

Where Do We Go From Here?

Callington Town Council will continue their endeavour to ensure that the needs of the community are heard and recognised. However, the Town Council's position is infinitely strengthened by the input of those whose views it carries forward. As such, the Town Council would like to thank all of those that completed questionnaires and who gave up their time to attend the meeting, and share their feelings about the library. This sort of input is invaluable, and helps to inform decisions that impact our whole community.

In the meantime, the Town Council intends to contact neighbouring parishes for support, as many residents of these areas also benefit from our fantastic library service. But, as ever, the Town Council's petition will be strengthened if library users in other communities are prepared to contact their Councillors directly. After all, while those councils have no specific duty to us in Callington, they do have an obligation to support the needs of their parishioners. If you have any interest in assisting in the preservation of the library service, please don't hesitate to get in touch with your local Councillors.

Just to reiterate, there has been no decision as yet on the exact form the library will take in the future. However, there will be a library offer available. Both Callington Town Council and Cornwall Council appreciate the importance of the library service to all who make use of it, and will continue to work towards a suitable, sustainable, and sufficient solution.

Ladies Luncheon Club

Here's wishing that the coming year is a glorious one, that rewards all future endeavors with success. As the Callington Newsletter doubled up for December and January, I missed out passing on our news to you.

Both our Christmas and New Year Lunches were most enjoyable, and with a couple of new members. Polhilsa Farm was decorated very delicately as was the table, the Christmas dinner was superb with so much to eat. We could all talk to one another without any seating problems and the conversation flowed. Roll on December 2018.

CALLINGTON SOCIAL CLUB FOR THE DISABLED. It is with sadness that I have to inform the Luncheon Club of a sad letter I have received from David and Linda Kelly, of Callington Disabled Social Club letting me know of the Club's dissolution. Both have asked me to pass on the following to you.

'A sincere thank you for your loyalty and support that you have shown over the years to the Club', David wrote. 'Your organisation typified all that is good and kind in our Society. I can only offer my grateful thanks on behalf of all members for the unquestioning support and friendship which you provided. You have been true friends to those in need. A friend is what the heart needs all the time.' Thank you David for your kind words. It was a pleasure to serve, if and when needed we would do it all again. We loved helping and to serve up afternoon tea with a variety of cakes and sandwiches made by the ladies not to mention providing entertainment in the form of a quiz. It was great fun, we will miss it all.

I would now like to thank the ladies of our Luncheon Club for their continued support over the last five years, we hope we will all still be meeting for lunch in years to come.

Our next luncheon meeting takes place February 7th, same time same place. Two places have become available although we do have to restrict our numbers to 24 members at any one time. Only new members need apply. Contact Valerie 01579 384024 Email williamsvalerie897@gmail.com Finally, happy February, hope you will have a relaxing and stress free month. And try every single day to do something that makes your heart sing.

Valerie.

Callington Cyclists pedal for Pudsey - Inspired by the BBC Children in Need Rickshaw Challenge, Pete Browne of Callington Cycles and Dave Lobhan wanted to organise an event to encourage his cycling group to raise money for the charity. As a result, 35 local cyclists signed up for a 24 hour cycle relay from 12 noon on Friday 17th November to 12 noon the following day.

A five mile circuit was marked out around Callington and Kelly Bray and two riders were designated as leaders for each of the 24 hours. Others could join in as and when they pleased, giving a minimum donation of £5. On the day at least 50 riders participated, the oldest aged 75 and the youngest just 5.

Callington Cycles shop remained open all night, with hundreds of mugs of tea and coffee served and tables groaning under the weight of cakes, pasties, buns, Pudsey biscuits and other treats donated by riders, their families and friends. A Pudsey suit was on offer for cyclists to wear to keep warm in the chilly overnight temperatures. Others showed their purpose in riding by sticking Pudsey ears to their helmets.

Numbers were swollen by cyclists from other clubs in the area including Essa, Tavistock Wheelers and St Budeaux, who came to ride a few laps and join in the fun as part of their Saturday club rides.

In total 1633 miles were ridden and £1550 raised for Children in Need.

Thanks must go for a great team experience to all riders and supporters; Pete and Lorna Browne; Steve Moir and Dave Lobhan for their hard work before, during and after the event. We are all looking forward to finding out what our challenge will be next year!!

Callington Women's Institute

At our December meeting we held a party in the Council Chamber for all members plus Dulce a special guest; the food was prepared by the committee which included sausage rolls, savoury filo parcels, dips, meringues, mince pies and much more, more than enough to feed twice the number who came. We had a Santa's sack full of lovely presents, our president Karen dressed in her Elf costume worn specially for Christmas. Entertainment for the evening was our own version of Desert Island Discs where each member brought along a tune which brings special memories to them and which we all enjoyed; the tunes ranged from The Trumpet Voluntary, Military Wives Choir to Enya and some laughs with Richard Stilgoe and Peter Skellern.

President Karen Gold

We all enjoyed the evening I'm sure our guest did as well. Food that was not eaten was shared out between us and so we all went home with a doggy bag. Also Santa's post came in time with Christmas cards, for all to take home. To finish the meeting we wished everyone a Happy Christmas and Peaceful New Year.

If anyone would like further information about Callington Women's Institute please contact the secretary on 01579 386939 or 01579 383552 we would be pleased to help.

A Winner Again!

Eleven year old Lydia Rundle, who attends Callington Primary School, has been awarded a silver medal at the Plymouth Speech and Drama Festival for Bible Reading. The Adjudicator, Eleanor Mcleed, from Wales, said that Lydia read with assurance and took time to phrase carefully and bring out important words. Her diction was very clear and could be heard by everyone. Previously, Lydia has won trophies at the Saltash Speech and Drama Festival.

Callington Heritage Centre

The latter part of 2017 was nothing if not interesting. It's amazing how the activities of a few committed souls can make a difference. We (the HC) are grateful that we have a nucleus of such people. We also are very grateful that within the town we have a significant body of support, not least of which are our Town Council, who we have to thank for building work which has stemmed dampness in the south facing wall. Our aim for 2018 is the same as all Callington's Clubs and organisations, which is as ever to engage with those in our community who have yet to cross our thresholds, so for us we will be reaching out to our schools. We already have contact with the Primary School who are engaging in a WWII project and I am sure we can help them along the way with that, a small example maybe, but it augurs well for the future.

The screen is now installed and networked, so we can use rolling film and pictures, to enhance visitor experience, but as with all newish technology, it takes time to become acquainted. Elaine has made great progress in this respect, it remains for the rest of us to catch up! After many enquiries last year about a reprinting of 'The Kelly Bray Book', I am pleased to be able to announce a re-issue coming shortly, so get your orders in. On a recent stroll through the village, I spotted a flyer for the book, which I had placed in the Post Office window some three or four years ago, so no need to update it, the price I noticed was £4, a bargain for unseen photographs of its Station, citizens, shops and some views even I hadn't seen before and that was where I was brought up. So in the forthcoming weeks until our official opening on Friday 6th April, we will be working our socks off to bring you another memorable experience and visual treat majoring on 'Sports Clubs and Teams of all persuasions' from Callington and surrounding Parishes. This will include pen pictures down the years, of the main movers and shakers without whom such Clubs would not exist.

So, as ever, we ask anyone who thinks they have a photograph, article of significance, (I'm thinking Cups here), old leather football and boots, or items relating to their Clubs, to please get in touch on 01579 389506 to leave a message or ring Chris Cansfield on 01752 851403. Failing that, if you would like to pop in, you will find us there Friday afternoons 1.00pm – 4.00pm. You will be made very welcome.

Victoria & Abdul

Dame Judi Dench reunited with the role of Queen Victoria

The extraordinary true story of an unexpected friendship in the later years of Queen Victoria's (Academy Award winner Judi Dench) remarkable rule. When Abdul Karim (Ali Fazal), a young clerk, travels from India to participate in the Queen's Golden Jubilee, he is surprised to find favour with the Queen herself. As the Queen questions the constrictions of her long-held position, the two forge an unlikely and devoted alliance with a loyalty to one another that her household and inner circle all attempt to destroy. As the friendship deepens, the Queen begins to see a changing world through new eyes and joyfully reclaims her humanity.

A film of solid craftsmanship led by another royally magnificent performance by Judi Dench."

It's a combination of Oscar-worthy acting, crisp writing, beautiful cinematography and gorgeous costume designs."

"..... resplendent with gorgeous costumes, exquisite sets and parlour-room drollery."

"It's amazing, refreshing, heartfelt and benefits from an abundance of chemistry between its two leads."

An Asset to our Community - Congratulations Terry!

Callington man, Terry Bolt, is being awarded a British Empire Medal (BEM) in recognition for his services to the Community in Cornwall. Terry volunteers for several organisations, primarily giving his time up to help and assist the elderly and to improve their quality of life.

His volunteering services include as a Welcome Home volunteer for Volunteer Cornwall, carrying out a basic check on patients after they have been discharged from hospital, assessing their needs and referring or signposting on to appropriate services to get them back on their feet.

Terry is also a Living Well volunteer for Age UK Cornwall. He has set up a men's lunch club that meets in a pub once a week, he makes sure that everyone is included and has a fun time.

Terry has been a Walk Leader for nine years based with the Tavistock Walk and Talk Group. He has helped to set up a similar group in the Tamar Valley which helps people with mobility issues and are socially isolated, walk around the Tamar Valley, meet others and get valuable exercise whilst enjoying breath taking views.

He has enabled so many elderly people to get to places and do things that they no longer believed they could do but he has given them the belief that they can do anything if they really want to.

Thank you Terry for all you have done and continue to do.

DECEMBER ROUND — UP

It's February and everything is back to normal!!! Callington Rotary Club wishes you, all the best for 2018.

Once again Callington enjoyed some great events over the festive season. Pictured we see (back row l-r) Mick Ryan from Chicks, Rotarian Lesley Dingle, Portreeve Mark Smith, Lady Mayor Debbie Smith and Town Crier Tony 'ring that bell' Stentiford. Plus, an all star line-up of Santa's prior to the start of the 2017 Santa Fun Run. This year saw around 140 runners, along with babies in prams and a few four legged friends. All amazingly dressed accordingly. The run raised over £1200 for the amazing charity Chicks. Thanks to the runners and the sponsorship they achieved.

Thanks also goes to Darren's Cars for their continued support and to Callington Bowling Club for allowing this event to take place on their premises.

Following the Fun Run, the Christmas Lights Switch On the festivities continued with the Victorian Market. Picture shows Market Organiser, Rotarian Hayley Perkins in Victorian dress, along with the Portreeve and Tony the Town Crier declaring the market open.

We hope to continue running the market each year and to build on the previous work done by Jane Corbill. We are always looking for new stall holders/activities so if you're interested, pleased get in touch, 'its never too early'!

THE ROYAL BRITISH LEGION CALLINGTON

The 2017 Poppy Appeal has broken all previous years records, £17,500 was raised. Many thanks to everyone that contributed. Special thanks to local Churches in Callington, Stoke Climsland, St Ive and St Dominick for their support and generous donations. We would also mention TESCO where our volunteers collected £9,600. Also to all the local Traders that support us every year by taking a collecting box.

Thank you to St Mary's Church where this years RBL concert was held. A successful evening where we were entertained by Callington Town Band, Soloist Debbie Smith and also the award winning Accapella Sound a close harmony chorus from St Austell. Portreeve Mark Smith attracting some attention in the photo, (fortunately he didn't offer to sing)!

The picture shows an 'arresting moment' during Honey Fair. RBL President John Phillips (centre) plays a major part in fundraising for the Poppy Appeal. If you are wearing a Cornish Badge with a Poppy on it then he designed it. John, a Korean Veteran, served in the Army Medical Corps. He is still putting his time and energy into raising money for the RBL Poppy Appeal which helps servicemen, veterans and their dependants in all sorts of situations.
