

Get an

ALLOTMENT

and grow your
own fresh fruit and
vegetables

**There are allotment plots
currently available on the
Launceston Road allotment site
in Callington.**

For just £2.50 per month (paid annually) you could be growing your own low-cost fruit, vegetables and herbs. Not only will you and your family benefit from eating healthy food that you have grown yourself, you will be enjoying the benefits of being out in the fresh air and meeting people with a like minded interest.

If you are interested in taking on a plot, please contact the Town Council on 01579 384039 or email jo.taylor@callington-tc.gov.uk
