MEET YOUR NEW TOWN COUNCILLOR

My name is Marie McCallion, I am 26 years old and have recently been appointed as a Town Councillor for Callington. I was born in Northern Ireland and moved to Calstock at the age of 3. Growing up within a small community has highlighted the importance of being proactive in voluntary work. I attended Callington community College for my secondary school years where I began to take a more active role supporting my local Community, I was involved with the local rowing club for many years and also spent time volunteering at the local Bike show.

In 2017 I took the decision to volunteer in Calais with the migrants that resided there. This was a life changing experience for me, an experience that gave me a powerful perspective of respect for others dignity and wellbeing. I went on to make a speech at a trade union conference to raise awareness to the brutal reality of the migrant crisis which had a positive impact and led others to not just to donate financially - but to give their time to the migrant crisis.

I have worked at Tesco Callington for the past seven years and my voluntary involvement within a shop workers trade union is what has sparked my interest in becoming a Town Councillor. I have spent the past few years representing my co workers and working tirelessly to make sure their best interests are put first. In January 2019 I won a National award for 'Most promising new Activist' within the shop workers trade union 'USDAW'. This was a turning point for me in recognising how I am able to impact those around me just by effectively communicating with people in various workplaces regarding their rights and entitlements as shop workers. I hope to be able to do a similar thing outside of my workplace and extend this method of communication to the town council and the local community.

I am thrilled that a person of my age has been successful in sitting on the Council. The younger generation have a responsibility to be involved with their community; after all it is just as much theirs as it is any one else's. I am not yet an expert in this field but am more than prepared to learn through exposure to meetings and spending time with other councillors on the various committees. I hope if you have any concerns or thoughts regarding Callington that you would like to share that you would be happy to do so with myself. I very much look forward to doing my best to contribute to enhancing Callington whilst serving on the Town Council.

What's On in the CAVE in May

*"First Man is an astonishing triumph of ingenuity and dexterity - simply brilliant."
"Most movies aim to take us out of ourselves. This one goes to majestic extremes."
"First Man gives you a hair-raising feeling of what it really felt like inside the space craft,
where every hour was life-threatening and the outcome was always perilous."*

*"I can't recall another movie that conveyed with such punch the perils and exhilarations of
spaceflight."*

On the heels of their six-time Academy Award®-winning smash, **La La Land**, Oscar®-winning director Damien Chazelle and star Ryan Gosling re-team for Universal Pictures' **First Man**, the riveting story of NASA's mission to land a man on the moon, focusing on Neil Armstrong and the years 1961-1969. A visceral, first-person account, based on the book by James R. Hansen, the movie will explore the sacrifices and the cost — on Armstrong and on the nation — of one of the most dangerous missions in history.

The Drystones

**Somerset Duo with An Unaccountably Big Sound
What a way to kick off MayFest 2019!**

The Drystones are an award winning young (just 21) lively folk duo from Priddy in Somerset playing violin, guitar and whistle, who have made a big splash since they formed in July 2011. They play a mix of their own music and arrangements of folk tunes given drive, beat and energy.

They have played festivals all over the Country (including Sidmouth, Broadstairs, Warwick, Bromyard, Purbeck and Folk East), and at their 2013 Glastonbury Festival performance they were highlighted by Steve Lamacq on Radio 2 as his "recommendation of the day".

They were the 2015 Larmer Tree Breakthrough Music Award winners and were asked by Michael Eavis to play the 2015 Glastonbury Extravaganza when Joan Armatrading had to cancel! Their third CD is a Songlines "Top Of The World" album.

Callington Oxfam shop has a current requirement for volunteers. We are situated in the Pannier Market which is located in Fore Street, between the Spar shop and Smith's tyres.

The work is varied and may include manning the till, sorting and pricing donations, some admin work and for those that like working with computers, submitting items to our Online Shop and wrapping then dispatching sold items.

Can you spare just a morning, an afternoon, a whole day even, every minute will be truly appreciated.

WHAT'S IN IT FOR YOU?

- Jobseekers - Volunteering looks great on your CV!
- Boost your confidence and self esteem.
- Make new friends and have fun while working in a happy atmosphere.
- Bored or lonely? Neither applies when you become an Oxfam volunteer!
- You have the option to work towards recognised retail and management qualifications.
- Play a direct part in helping Oxfam address poverty and emergency disaster issues.

Call into the shop for more information.

Have you had a stroke?
Become a Volunteer Befriender

VOLUNTEERS NEEDED

Volunteer Cornwall are looking for volunteers to help recent stroke patients in their recovery journey. Stroke Befriending volunteers meet with other stroke patients on a regular basis and offer support and encouragement. This can really help mental wellbeing and make people feel less isolated and more connected to their community.

As a volunteer you can use your experience to help others, receive valuable training and gain skills in befriending. We asked Margaret, one of Volunteer Cornwall's volunteers, what it's like being a Stroke Befriender: "You are doing something positive after something that hasn't been something very pleasant for yourself...I always feel that if you can help someone else it's all worthwhile and you can pass on your knowledge and information to them and hopefully they will gain from it too."

Please get in touch to find out more about becoming a Stroke Befriending volunteer. You can visit www.volunteercornwall.org.uk/how-we-help/health-social-care/stroke-befriending-service, call 01872 266997 or email Jenny Wilkins at jennywilkins@volunteercornwall.org.uk

Let Thomas Bowes take you on a

BACH PILGRIMAGE

Thomas Bowes is one of the UK's most versatile and accomplished violinists – as a soloist, chamber musician, concertmaster and artistic director. His concerto appearances in the UK, Germany and the USA have included highly praised performances of the concertos of Elgar, Britten, Szymanowski and Walton.

Tom undertook an extensive 'Bach Pilgrimage' in 2013, giving fifty concerts of the unaccompanied Sonatas and Partitas of JS Bach in churches across mainland Britain and raising over £20,000 for various charities. Further 'Pilgrimages' are planned for every year.

This is a concert of solo violin music, especially designed for church spaces. It reflects the emotional and spiritual strength of this music, and spoken introductions give context and background to why and how the music was written.

FIRST CALLINGTON SCOUT GROUP

Beavers have had a couple visitors this past month. Gemma a dental nurse from the Archway Dental Practice In Callington. She was absolutely amazing with them all! Explaining about their teeth, how to keep them healthy and what food is good and bad for teeth. Each Beaver was able to dress up as a dentist and we finished the evening with a goodie bag each. They LOVED it. Thank you. They also had a visit from Jane talking to them about Fairtrade. She explained all about the Farmer that appears in the emblem, Fairtrade products and where to find them. Jane mentioned not everyone is as lucky as us because in some countries they don't have running water or electricity. The Beavers even had a go at carrying a water pot on their heads for a short distance.

Cubs have been busy completing their International badge, discovering all about India. We've made henna hands and took part in a Holi festival. They have tried various Indian foods and played some games that originated from India. The Scouts are still continuing with Coast to Coast Training, walking all over Devon and Cornwall up to 18 miles in one walk alone. Special thanks goes to Mark Smith who ran a First Aid session with our Scouts covering lots of aspects including CPR, burns, DRSABC. Scouts have also visited the Life Centre in Plymouth taking part in some indoor climbing. They finished off the term talking about disabilities.

Do you ever wonder what it's like to volunteer with Scouting? We are always on the lookout for helpers to join our ever increasing group. It's great fun and extremely rewarding. You would be helping the youngsters of the local community to get outdoors, try new things, gain confidence and most importantly have fun! Times and days we meet are at the back of the newsletter.

Why not hire our HQ for a party, meeting or even an exercise class. For more information on what's available please contact Alison on [07542366369](tel:07542366369).

CALLINGTON TOWN FORUM

The second successful recipient of the grant funding from Callington Town Forum is the community based junior football club Callington Colts. The club is run to a high standard by trained volunteers and they are currently fund raising to repair/replace the changing rooms at the St Germans road site. The cheque was presented by the Town Forum's chairman Kevin Oliver & Secretary Hilary Mackay. The Forum meets on a monthly basis and has online presence through the Facebook social media page One Callington.

Callington New Outlook

The New Outlook group were delighted to have a visit from three ladies from Buckland Abbey who demonstrated 'Dressing a Tudor Lady'. All the garments had been made authentically and using, as far as possible, materials that would have been used at the time.

Starting with a plain 'shift' Mistress Ann was dressed in layer upon layer of clothing that had all been hand-sewn or hand-made while her two ladies maids gave a running commentary about the process. One of the last items to be donned was a most beautiful ruff that had the tiniest of pearls sewn onto each point of the hand-made lace that edged it.

By the end of the session Mistress Ann was ready to take her place as a member of the court of Queen Elizabeth the First.

New Outlook members were then given the opportunity to closely examine the costume - not only of Mistress Anne but also of her two maids - ask questions and also handle the various authentic items - needles,

cord-makers, etc - that would have been used. It was a fascinating morning.

New Outlook is a club for men and women and meets in the Council Chamber of Callington Town Hall each Tuesday morning at 10.00am until 12 noon in term time except for the fourth Tuesday of the month when there is usually a meal out somewhere.

The Grand Tour Cape To Cape 2019

Three local crews will be taking part in this year's Cape to Cape Challenge to raise much needed funds for Macmillan Cancer Support in Cornwall. Named the Victory Tour, it will start from Cape Trafalgar in Southern Spain, and commemorate the Battle of Trafalgar.

All from Callington, first time entrants Nick and Nan Palmer driving a Triumph TR2 and Mike and Margaret Green driving an MGB V8, will be joined by Terry Bolt and Jeff Hearn in their MX5, who have taken part on three previous occasions.

They will all travel out to Cadiz to join the rest of the 40 car field and from there will drive to Cape Trafalgar to commence the Challenge on Saturday 11th May. The detailed route will not be disclosed to the participants until the evening before the start but it will include all types of terrain from national A roads, to off road sections in forests and mountains, designed to test the skill and endurance of both driver and navigator.

After covering a large part of Spain and sections of Portugal, they return to Bilbao and the 24hr crossing to Portsmouth where following a visit to HMS Victory, they embark on the last leg of the journey back to Cornwall following the route of the Trafalgar Way and including stops in Blandford Forum, Honiton and Okehampton.

On Sunday 19th May, after leaving their overnight accommodation in Truro, they will travel to Falmouth where they will be welcomed with a Civic Reception and then on to the finish at Cape Cornwall.

By the time the crews return to Callington they will have covered approximately 2500 miles. The participating crews personally cover all the expenses associated with the Challenge so all money received as sponsorship will go directly to Macmillan's work in Cornwall.

The fundraising campaign will culminate on Saturday April 27th at the Millenium Centre, Pensilva from 2.00pm when all three crews, together with their cars ,will be present for an afternoon Cream Tea plus stalls and competitions and live music.

Callington Heritage Centre

This is a formal invitation to the people of Callington and surrounding Parishes to pay us a visit, hopefully the better weather will be with us soon thus encouraging everyone to make the short jaunt out to our premises in Liskeard Road. The new exhibition is now a month old and dare I say it, looking superb thanks to the cumulative efforts of our trusty support staff. As well as the concentration on the Pubs, shops, commercial traders both by gone and present, you will find, we hope, an interesting and engaging mixture of goodies for your delectation! The first thing you will notice is a new sign at the entrance written by Theresa Mitchell, in a kind of Gothic Script, a very skilful job it is too, much better than the old battered one, so our thanks go to her. Rather sadly we have been informed of the death of David Haddy on the 31st January this year, a grand old gent in his eighties with a Calstock Footballing background, in fact he came in last year with photos, cups and football memorabilia from his playing days, his wife Margaret will be moving now to be near the family, our condolences to her.

So what can you expect from a visit? Firstly a warm welcome and to be given a brief walk about acquainting yourself with the various services that we offer: Genealogy including "Births, Deaths and Marriages", Parish Records, Census Records, Photo Archive, Newspaper Archive, Mining Records & Maps, Mineral & Geology specimens, archival Cine film of Callington in the 1950's complete with it's train station (available to be viewed on the big screen). All of this is supplemented by displays on World War II with emphasis on those servicemen, complete with their service histories, who returned home and fell back into civvie life thereafter. A copy of John Winton's "Death of the Scharnorst" and the "Battle of North Cape" in 1943 and the two Callington men who took part in its demise mentioned and quoted in the book. Plus MUCH MUCH MORE! However, before I finish this piece I would like to send our best wishes to Rodney Hindle who, after his family's sixty or so years trading in the Town, is now sadly shutting up shop owing to ill health. We have much to be grateful to them for, as Mr & Mrs Hindle, Graham, Rodney and Pam brought Scouting, Cubs and Guides to Callington which for all us boys and girls had such an amazing and positive impact on our lives. Happy Retirement Rodney! Well that's it for this month, we are open as ever every Friday from 10.00am – 4.00pm and the first Saturday of the month from 12 noon – 4.00pm, do pop in. Telephone enquiries on 01579 389506 and 01752 851403 or visit the Museums in Cornwall Website and follow the link.

LADIES LUNCHEON CLUB

Ladies, welcome May. A wonderful month of new experiences await. We gathered once again on April 3rd, with lots banter and wit flowing. I must say that I do enjoy the other ladies company, such a great group. We only have three more meetings before we break up for the summer.

The summer recess is such a very busy time for me, I will be once again organizing a pilgrimage. We will be travelling to Italy, with a large group from the Catholic Diocese of Plymouth. It will be quite a task but I never fear for I always have the Lord on my side.

Our May luncheon meeting will take place on May 8th Wednesday, a change from our usual day. Kay was unable to accommodate the 1st of May. The dish for the day will be roast beef and Yorkshire pudding and, of course, an alternative dish. Dessert will be my favourite, apple crumble and custard. How yummy is that?

Everyone at our April lunch received a Easter Egg, what a lovely surprise for the ladies. A little bit of 'Love In Action' took place, if only we could practice to do more. Try it, it is so easy - 'Love in Action' three wonderful words. Hope to see you all in May, until then, no matter how good or bad your life is, wake up each morning and be THANKFUL. Have a good day.

TESCO BAGS OF HELP GRANT FOR LOCAL FOOTBALL TEAM

Tesco Callington's Community Champion, Carrie-Ann Bailey, recently attended a training session at Callington Town FC Ladies to present the players with a cheque for £2,000. The team took part in the January/February round of in-store voting as part of the Tesco Bags of Help, Tesco's Local Community Grant Scheme where the money raised by the carrier bag charge in Tesco stores is used to fund community projects.

On receiving the cheque from Tesco Callington's Bags of Help scheme, Callington Town FC Ladies manager, Adam McPherson said: "as a team and also as a club more widely we'd like to say a big thank you to Tesco, as well as everyone who placed their tokens for us. Since progressing up through the women's football leagues over the years, the costs to run the side have increased dramatically. Thankfully we have some brilliant support within the community, which was again evident in how many people put their tokens in for us."

He added: "it's a great scheme and the money will be a huge help for next season. The majority of away fixtures in our new regional league costs us over £150 in just fuel alone. We also recently decided to start-up a new second team for next season, so even though they will play in a more local Cornwall league, the costs of setting up a brand new team are still significant. The money we receive from Bags of Help is going to be incredibly valuable in allowing us to grow the ladies' section of our club. It means we can provide even more footballing opportunities for younger players and women within the community."

Spring Band Concert Kicks off Callington's Season of Music

Callington Town Band presented their traditional Spring Concert at the Town Hall on Saturday 30th March, together with the harp and guitar duo of guest artists Jenny Bolder and Liz Bracey-Davis.

Compere Rick Pollard introduced the band, which was conducted by Musical Director Bill Leith. "The programme" said Bill "was arranged to have the broadest appeal for the audience, and to showcase some of our lead players".

The concert started with the stirring march 'Blaze Away', followed by pieces from popular musicals and films, to traditional and classical works. The programme featured the showpiece cornet duet 'Playmates' played by Tony Holder and Mark Pavey (a guest player from Tavistock Stannary Band), and Baritone solo 'When I Fall in Love', played by Apollo Blaze, and Flugel solo 'Love Changes Everything' played by Claire Blaze.

Youngest audience members 11 year old Esme and 7 year old Seth, whose parents play in the band, agreed that "Our definite favourite was "Nellie the Elephant", played by the band's trio of tubas, Sarah Gard and Chris Lee who were led by John Jenkins.

Jenny Bolder from Calstock and Liz Bracey-Davis from Gunnislake are popular local musicians who have been playing together now for "It must be 20 years" said Liz. They played two interludes of charming and delicate harp and guitar duets, which were well appreciated by the audience.

The concert concluded with Ron Goodwin's famous march Aces High, and a rousing rendition of Trelawny closed the evening.

The annual presentation of the Band awards took place during the concert. Award winners were:

Chris Mercer, the Edward Woodward Memorial shield for 'Most Improved Main Band Player'

Shirley Morse, the Betty and David Restall shield for 'Person Who Has Done Most For the Band'

Ruth Memory, 'Attendance Cup'

'Years of Service' awards were presented to **Marion Veal** (20 years) and **Ruth Memory** (15 years).

Marion Veal was additionally awarded Honorary Life Membership of the Band.

The audience at the concert were treated to refreshments, provided by courtesy of Tesco's Community Fund, and a raffle with prizes donated by members of the band. Band Secretary Shirley Morse expressed her "Grateful thanks to Josee Williams, Margaret and Paul Taylor for their invaluable help with refreshments and the raffle, and to band members for the raffle prizes."

Callington Town Band is a friendly group of musicians who meet every Thursday evening at the Heritage Centre, Liskeard Road. New players of any age are always welcome. For more information telephone Shirley Morse 01579 350336 or email: shirleyamorse@gmail.com

Still Time to

Come Along to the MayFest Workshops!

As ever, the workshops have proven to be really popular. Old friendships have been rekindled and new ones forged, with everyone joining together through the medium of song, music and dance.

It is still not too late to get along to one or more of the workshops to try your hand. There is no compulsion to carry on and appear at MayFest itself, but it would be appreciated.

No matter if you have not managed to get along to the earlier ones You can still soon pick up the rhythm of the Samba beat at the *Samba Drumming* workshops or learn the basic steps of the dance routines in *All Things Latino*.

Fancy picking up that instrument you used to play which has been lurking at the back of a cupboard for more years than you care to mention? Dust it off and give it another try! Join the MayFesters!

Still think you can't sing? Give it a go at the MayFester Singers workshop and just see how Sarah will coax some magic from your vocal chords!

All workshops are FREE and are suitable for young and old alike, but we would ask that youngsters under the age of 16 are accompanied by an adult (and, yes, *they* can join in too!).

Look for further details on CAVe website (<https://callingtoncave.weebly.com>).

No long-term commitment! But it may just change your life!

Saturday 11 th May	MayFester Music MayFester Singers All Things Latino Samba Drumming	Methodist Church Hall Methodist Church Hall Callington Primary School The Bull's Head

All workshops are from 10.30am – 12.30pm. Novice? Experienced? Give it a go!

MayFest

Saturday 18th May

By now you will probably have found the 2019 MayFest brochure on your doormat or will have picked one up from the town hall. The programme this year is definitely the best yet with top-line Cornish bands, dancers and musicians from Brittany, a host of Morris dancers and a variety of musical styles to suit all tastes. Not to be missed are the dancers, musicians and singers who have been attending the MayFest workshops over the last few weeks.

Tony Stentiford, the Callington Town Crier, will be hosting a number of town criers and their consorts from around the Southwest who will join him in a Fun Cry; and earlier in the day he will have mounted the Junior Town Crier competition to find the Young Crier of the Year. Come along and cheer them on!

If that were not enough, there will be a living Viking village to visit in the Saltash Road park where you can get a feel for the way of life I days gone by – complete with a re-enactment of the Battle of Hingston Down taking place at 3.00pm.

The centre of town will be the main focus for performers, with four main venues to choose from, and Fore Street will be thronging with stalls at the artisan market. There will also be kiddies rides for the younger members of the family. And don't forget the procession which will make its way from the free car park to arrive in town around 12.30pm, featuring many of the performers, and also giving the amazing MayFest giants the opportunity to make a grand appearance once again. Come along to watch – or even to join in. Even if you have two left feet, you can still manage the Callington furry dance! Just make sure you are wearing something bright and cheerful!

With so much going on and a wealth of opportunities to find "goodies" to eat and drink, why not make a day of it?

Callington Carnival

Saturday 6th July

Calling all businesses!

Why not get your business in the public eye? Enter your van / lorry / car to advertise your firm and support your local community. Free entry for commercial vehicles!

Wyld Thyngz Forest School wins OFSTED Approval

Wyld Thyngz has won approval from OFSTED to open up its new Forest School Kindergarten near St Mellion. Based on Wyld Thyngz's own 14 acre woodland off the Hatt to Amy Tree road the new Forest School will be open for children from the ages of three to seven years, and is registered to accept Early Years Funding.

Forest School Leader Sarah Slocombe said, *"I am really excited at being able to provide this new opportunity for children in the area to discover the experience of learning and playing outdoors in this lovely woodland setting. It is a proven fact that children in such environments learn better and become more rounded adults."*

Wyld Thyngz was set up by Sarah Slocombe in 2016 and until now has focused on parent and child groups, birthday parties and taking the woodland experience to various festivals. Having obtained planning permission for the woods in the summer of 2018, Sarah has spent the last six months on building up the kindergarten which sits in a secure area of the private woodland. The kindergarten has a yurt with a large entrance porch as its main sheltered area, a kitchen, and a compost toilet, but as Sarah says. *"Unless we have really bad weather all teaching is done outdoors. Children in a forest school environment learn a variety of practical skills as well as the normal national curriculum components. I am very confident that all children who join us will become happy Wyld Thyngz!"*

Parents will find Wyld Thyngz on Facebook or can contact Sarah directly on wyld.thyngz.cornwall@gmail.com or on 07581 845 455.

Transform Your Home with Natural Looking Stone Plaster Overlay

Using our purpose made tools our craftsman will give your walls a stone design makeover to provide your home with a traditional, comfortable and rustic feel.

Where can this be applied?

Internally – Our plaster mixes can be applied internally on any previously plastered, plaster boarded or painted wall surfaces leaving a realistic deep textured imprint of stones and mortar joints. Externally – Over existing Spar dash, render or Tyrolean walls to give a stone cottage look and feel.

Can this be painted?

Yes, paint with any colour of your choice or simply seal the new plaster overlay.

Unique stone effect plaster overlay that reproduces traditional Cornish stone.

See our website or contact us to arrange a free no obligation visit to your home to view our demonstration boards by Chris.
