Cllr Tagg explained that he has met with a lady that could possibly source us some grant funding for a mural project, namely the pasty mural. If the committee agrees, she could attend our next meeting and do a presentation on what she can do. If her grant funding is successful, it could require a 10% cost to the Council, for example, if a

grant was awarded for £50,000 the Town Council would need to match fund £5,000.

Resolved. It was proposed by Cllr Tagg seconded by Cllr Watson and agreed to finance this feasibility work with a budget of £500, taken from the Murals Earmarked fund, and used at the discretion of the Chair, the Murals Chair and the Clerk. (4 Support, 0 Against and 1 Abstention).
