**a) PA21/03117, Unit 1A, Florence Road Industrial Estate, Kelly Bray.** Various works to trees

Discussions took place.

**Resolved.** It was proposed by Cllr Tolman seconded by Cllr Gold and agreed to recommend refusal of this application based upon the quantity of trees involved and the impact this may have on the environment. There is no evidence that the removed trees will be replaced as per the Town Council policy of replacing three trees for every one removed. The works are proposed during the bird nesting season ie March to August and removal of the trees at this time will have an impact on nesting birds. The Town Council urges the Planning Officer to immediately notify the applicant as it is apparent that some trees have already started to be removed. (8 support, 1 abstention)

**b) PA21/01975, Larks Corner, South Hill Road.** Proposed extension and re-modelling
