

Callington Town Women's Football Club.

July has been a busy month for the team, as well as returning to pre-season training the team also held a promotion day at Tesco Callington, hosted by Will Turner, Tesco's Community Champion. The purpose of the day was to raise the profile of the team in the community, which we hope will encourage new players and boost interest in the team, who play in the Earthbound Electrical Cornwall Women's Football League. The day was very productive with lots of people stopping to chat and find out more and it also attracted possible sponsorship for the team for the forthcoming season. We are working on this element at the moment and will report more when details are finalised.

As for the team for season 2022/2023, we have said goodbye to some players due to work commitments, education, moving away to University but have also welcomed some new players. They have a mix of experience and are beginning to gel with the rest of the squad. However we are still are looking to boost numbers. We would like players to fill all positions but especially attack minded players, who can help the team become a more potent force at the top end of the pitch.

Friendly matches arranged thus far are at home against Plympton Ladies (7th Aug) and Lakeside Athletic Ladies (28th Aug) and away at Redruth Ladies (4th Sept).

Home matches are played Sundays, kick off 14:00 at Ginsters Marsh, Callington Community College, Launceston Road, Callington, PL17 7DR.

Training currently takes place at St Germans Playing Field, St Germans Road, Callington, PL17 7EN, Wednesday evenings between 19:00-20:30, please come along and see if we are the team for you! Alternatively for further information, call Jared (Manager) on 07715 008987 or Tim (assistant) on 07716 357650.
