Jo Taylor, Town Clerk  
18<sup>th</sup> January 2023

*I have been in contact with Cornwall Council and they have directed me to the street works & planning departments. I have emailed both departments with the idea of a sign which would benefit the businesses that reside on Church Street.*

*Looking into things I am predicting that we will have to go down the route of planning permission which is costly just for the application process itself.*

*Are there any funds that the council can allow for the costs of planning and or the sign itself? My plan is to have the businesses of Church Street split the costs of the sign as it will benefit not just them but the town itself.*

*I have attached a quick mock up of the proposed sign for you to look at, along with the location of the sign.*

*Any advice you could give on this would be most helpful as I have not dealt with this kind of thing before and want to do it the right way.*
