## Despite difficulties, Lions assist with another Mission delivering more aid to Ukraine

Although conditions were difficult Callington Lions have assisted again the Charity 'Sending Love to Ukraine' in delivering humanitarian aid.

At 3.00 am on the 3<sup>rd</sup> February, Lions Andrew and Emma Burnard set off in the dark on the five day, 2,500mile round trip to Poland. There were ten vans, making up this, the ninth convoy, each loaded with much needed items destined for Ukraine. As they drove further East towards Warsaw, road conditions became difficult with ice and much snow.

The requested essential supplies filled a warehouse. It included wheelchairs, generators, first aid kits, warm winter clothes, nappies and much, much more. Urgently needed items were immediately loaded onto other vehicles for the onward journey to hospitals near the front in Ukraine.

Emma added that the amount collected was due to the generosity of the people from all over Cornwall and Devon and further afield. Andy said it was good to be joined by fellow Lions from Tavistock and Weymouth and Launceston's Unique Mobility for this trip.

After unloading and sharing a meal with Polish Lions, Ukrainians, and others, the twenty strong team started off back again in the dark on the snowy return trip. They were able to bring back Ukrainian refugees which included a complete family, and an elderly gentleman who had lost his wife in a missile attack. The refugees had been sponsored by English families.

Sending Love to Ukraine's leader and fellow Lion Darren Tait said that this was one of the more difficult trips with the weather conditions not helping. He added that another trip is planned for the 9<sup>th</sup> March.

Andy added that if anybody would like to donate money towards the costs of the trips then please go to <https://sendinglovetoukraine.org>, it will also keep you posted on what is needed.

## MayFest 2023

Now is the time for everyone to step up a gear in readiness for this year's MayFest which will take place on Saturday 13<sup>th</sup> May.

As usual, in the run-up to MayFest, there will be exciting opportunities for people of all ages and abilities to experience the joy of singing and music-making with free workshops on offer as outlined below.

It is not necessary to commit to every session (but it would be best if you could).

### Find Your Voice with Sarah Owen!

Sarah has become a firm favourite with everyone in Callington who has worked with her in the past and has a firm belief that everyone can sing!

### Join the MayFester Musicians with Rosie Fierek!

If you play an instrument but do not have the time to commit to weekly rehearsals, or would just like to take the opportunity to play with new people, come along and be a part of the Magnificent MayFesters.

Rehearsals for both workshops are from 10.30am – 12.30pm on the following dates:-

	<b>ROSIE'S WORKSHOP</b>	<b>SARAH'S WORKSHOP</b>
April 1st	-	Methodist Church
April 8th	Callington Primary School	Council Chamber
April 15th	Town Hall	Methodist Church
April 22nd	Town Hall	Methodist Church
April 29th	Callington Primary School	Methodist Church
May 6th	Methodist Church	Methodist Church

Why not get along to one of the first sessions and see how you might fit in?

At the March meeting of Callington WI members had fun making Easter bunnies, ably led by WI member Kathie Seldon. There was a lot of laughter and enjoyment and a lot of glue used!

It was also our Annual Meeting, where the Committee and President are elected. The WI said goodbye to two members who

have stepped down from the Committee: Marion Wilson and Pauline Kennedy. They were thanked for all their hard work over the years. But we are pleased

to welcome two new members: Pat Mitchell and Jayne Edwards. Karen Gold was re-elected as President.

The week before our meeting members had enjoyed a meal at the Rifle Volunteer, where we had a wonderful evening.

The WI is holding a Coffee morning on Saturday 15th April from 10.30 am until 12.00 noon in the Council Chamber, Callington Town Hall. Members will be there to explain what the WI does and what we get up to. There will be information available of the projects that the WI involve themselves in either Internationally, nationally or locally. So please come along and have a coffee, chat and find out what we do.

Callington WI meets on the second Wednesday of each month in the Council Chamber of the Town Hall at 7.00 p.m. and we would welcome anyone to come along and see what we get up to. Our next meeting is Wednesday 12th April when the speaker will be James Davis on 'The Lobb Brothers'.

Contact Jill Trew, Secretary, for further information, [callingtonwi@gmail.com](mailto:callingtonwi@gmail.com) or 01579 386939.

## St Sampson's Church, South Hill

### Community orchard wassail

The sun was shining and the birds were singing as we blessed the apple tree in the community orchard. Thanks to Peter and Dick for taking some fabulous photos of us all in action as we made plenty of noise and put our cider-soaked toast on the trees. Much apple cake was eaten, but still plenty left over for Sampson's Supertots to share the next day. I look forward to being able to pick the apples next autumn.

A Musical written for Prim-Raf

**By Alexandra Ward**

'Morwenna and the Legend of Kit Hill' is a musical written about the townsfolk of Callington, the Captain of the mine at Kit Hill, his daughter Morwenna and the evil Quarry Queen. The Quarry Queen sucks the life out of the people of Callington until 'something happens' when love, respect and harmony comes back to all.

### £1000 for Turkey/Syria Earthquake Appeal

Once again people in the Callington area have done us proud, with £1000 being raised for the Disasters Emergency Committee (DEC) at the Community Coffee Morning at Callington Methodist Church on 4th March. The morning went with a swing, with much coffee and cake being consumed, as customers found plenty to chat about! Grateful thanks to everyone who helped and supported this event to help our neighbours in Turkey and Syria at this very sad and difficult time. # CALLINGTON TOWN COUNCIL

## Who are your Councillors?

### Rosemaria (Maria) Coakley

I was born in Callington and moved back to the area a number of years ago. I became a member of Callington Town Council over ten years ago. During that time I have served as Deputy Chair of Outside Services and Finance & General Purposes and also Chair of Planning. I am also a member of the Town Market; Murals and a Trustee of Labouring Poor. I have worked for the Community College and Tesco Canteen, as well as volunteering in Oxfam for a few years. I opened my own business in Callington 'Nanny Oakley's Café, which I unfortunately had to close after four years due to the pandemic and rising costs. I am very passionate about the community of Callington and Kelly Bray and will do my best for the area.

## New Councillor joins Callington Town Council - Penny Ward

I have a wide range of skills to bring with me as a Town Councillor. I am a business person and have run my own businesses for many years so can relate to businesses in the community. Being entrepreneurial means I am creative and like to make things happen and understand how businesses operate and the challenges faced.

I have excellent skills communicating with people at all levels. I was a financial adviser many years ago so have the ability to build rapport and be empathetic towards everyone I meet and make good connection with them quickly.

I am currently doing some ad-hoc work with Groundwork South with their young people and am therefore interested in the young people in Callington and know the difficulties faced in the town with young people.

I would love to be involved in the community and try to create a more social and friendly vibe to the area. As a town resident it would be great to have a more vibrant town to live in and Callington has huge potential.

## What does your Council do?

Callington Town Council is made up of twelve volunteer Councillors, unfortunately at the present time there are only ten Councillors. If you are interested in becoming a Councillor please contact the Town Clerk.

There are four committees: Planning; Outside Services; Town Hall & Premises and Finance (more about what these committees do in future newsletters). The Portreeve & Mayor is elected in May each year at a public meeting. If you have any issues relating to the committees either contact the Chair of that Committee or the Town Clerk. All Councillors are available for residents to contact with any concerns relating to the town and contact details are on the Council website: [www.callington-tc.gov.uk](http://www.callington-tc.gov.uk)

Members of the community are most welcome to attend meetings of the Town Council and any of its committees. The agenda for every meeting is published in advance - on our website and on the notice board. At the start of Full Council meetings, time is set aside for members of the community to raise matters of concern or interest or ask the Council questions.

**Callington Town Women's Football Club**

**A Family Affair**

This topsy turvy season continues for the ladies with a mixture of results over the winter period interrupted with postponements due to inclement weather. However the team has continued working hard at training and games that have been played has showed overall improvement but have lacked the level of consistency required to put a totally positive run of results together.

February has seen a third mother/daughter partnership play for Callington Town women but the first for quite a few years. Jess and Grace Davies played in a competitive match for the first time this season as Grace progressed into open age football. This is also Jess's first season playing football and is proving to be an inspiration and Grace will be a great addition to the team as she builds experience.

Jess and Grace are pictured wearing the teams new away tops generously supplied by Palladium Building Services who we thank for their continued support, not just financially but pitch side as well, it is really appreciated by the management and players alike to see our sponsor cheering on the team.

Thanks also go to our match day volunteers at home games who have helped out in the club house to prep and cook after match team food and cover in the bar as well as our spectator base that has been so regular both at home and away games.

As we move towards the latter stages of the season the team is looking to press on and start putting together a string of results which can see us move up the table.

As always training takes place at at Callington Community College's all-weather pitch Wednesdays 19.00-20.00. Please come along and join us and see if we are the team for you. Alternatively if you want to get more information first, call Jared (Manager) on 07715 008987 or Tim (assistant) on 07716 357650.

Home matches are played Sundays, kick-off 14.00 (or 14.30) at Ginsters Marsh, Callington Community College, Launceston Road, Callington, PL17 7DR.

# Callington Heritage Centre

Enquiries to Chris Cansfield on 01752 851403 or call the Centre and leave a message on 01579 389506

Although currently closed, the Heritage Centre has not been idle. Our thanks go to Roy and Elaine who together delivered a slide show and talk to the good folk of Age Concern using many of our archival photographs. These were probably part of our vast collection donated by the Gimblett family of Callington covering many decades (we were indeed fortunate to have them in the town) - their fish and chips were't bad either! Talking of which, many a Friday/Saturday night my Mum and I would stop in there, prior to our long walk out to Kelly Bray and after seeing the latest film in the Town Hall presented by Mr Hicks the projectionist and policed by Miss Strutt! Ah! the memories. Well I've still got one, so I guess I can be grateful there. Further thanks to, I believe, a relative of the Penney family who has kindly donated a Testimonial presented by Launceston Town Council to Councillor Penney for 25 years service and various other items relating to the family. These include a book of the Methodist Callington Circuit dated 1901 (with bulletins for each Chapel and their Ministers) with photos of Lucket tMethodist Chapel in particular. Interestingly, a large black and white photo of Stoke Climsland Home Guard during WWII was also included. As Stoke has a fairly active family history group I would imagine they could identify many of those in uniform, it would be good if they could get in touch. We continue to collate items of interest and photos of individual Musicians, Choirs and Bands who have graced the local Town Halls and Dance floors through the years. Callington had their fair share and the stages at the Town Hall and The Blue Cap Hotel have accommodated many of them, when the Friday/Saturday Night Dance was the go to event. We have a wonderfully atmospheric black and white photo of a formal (probably dinner dance or Hunt Ball) in the Blue Cap with the men in their evening dress and the ladies elegantly turned out 1920s/30s I should think. Many think back on those times with nostalgia because after the Jazz Age and Rock 'n' Roll these musicians and their bands just faded away-a few survive and what a joy it is to enjoy live music when you can. So once again, it would be good if any of our interested Callingtonians could search their lofts / photo albums for any family members who were musicians or where members of choirs or bands-we are available to take items in every Friday after 12noon or if you give me a ring I can call and collect. Grand Opening day has been set for Friday 14th April at 10am and we look forward to your visit. Chris Cansfield 01752-851403 e-mail: [c.cansfield@btinternet.com](mailto:c.cansfield@btinternet.com)

## Callington Coronation Celebration Events

### COMMUNITY ORCHARD

It's not too late to get involved in what will be a lasting memory of this momentous occasion and which will be of community benefit for generations to come.

See details on the left to make contact and make things happen.

### CALLING ALL TOWN CENTRE RETAILERS AND BUSINESSES!

Callington Rotary invite you to enter the spirit of the occasion and create a never-to-be-forgotten display in your shop window or on your business premises. There's never been a better time to put a bit of wow-factor into your business.

A Rotary member will be visiting to invite you to join in.

It was a hard decision to come up with a suitable theme, but we thought that "The Coronation" might perhaps be just the ticket!

### POETRY COMPETITION

What better way to celebrate a new monarch than by producing a poem in commemoration? Callington Rotary are calling on all sectors of the community to exercise their creative streak to enter an original poem in celebration of the coronation.

Entry categories for the poetry competition will be the following age groups: Junior 7-10; Intermediate 11-13; Senior 14-18 years and 18+ (age on Coronation Day) - so everyone will have the chance to put pen to paper (or fingers to keyboard). **PLUS**, Under-7s and 8-9 year-olds are invited to enter a picture competition to mark the event. Entries should be on A4 paper and may be either portrait or landscape format.

The combined results of the poetry and painting competitions will be printed in a commemorative booklet - a lasting memory for both the artists and their audience.

The entries should reflect the theme: "Kings and Queens".

The deadline for entries will be noon on Tuesday 2<sup>nd</sup> May and should be returned to Mariposa in New Road. There will be prizes for the best entry in each category. Prizes will be presented in the Town Hall on the afternoon of Saturday 6<sup>th</sup> May, when examples will also be read out.

### WALKING TREASURE HUNT

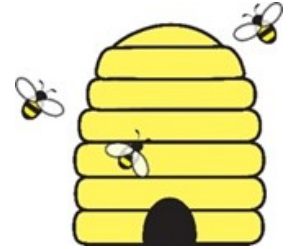

To promote physical and mental wellbeing, you are invited to take part in a walking treasure hunt over the Coronation weekend. The event will be open to all and will enable wheelchair access to all the clues. It will not be physically too challenging, and may be completed in more than one attempt. This is an excellent opportunity to get a leg-stretch as well as exercising those all too important grey cells. Each team **MUST** have a smartphone. A prize will be presented for the winning entry.

Entries and further information will be available on the Rotary website ([www.callingtonrotary.org](http://www.callingtonrotary.org)). Completed entries should be emailed to [competitions@rotary.org](mailto:competitions@rotary.org) or drop them in to Mariposa in New Road by 6.00pm on Saturday 6<sup>th</sup> May. Winning entries will be announced in the Bull's Head at 7.00pm on Wednesday 10<sup>th</sup> May and published on Facebook and One Callington.

**Callington Rotary wishes you all a glorious Coronation weekend.  
 Make things happen! Be a part of it!**

# CHANGES ARE UNDER WAY FOR HONEY FAIR!

## Honey Fair Day will now be Saturday 30th September

Callington and District Lions are introducing changes to Honey Fair to make it a more family friendly event.

Honey Fair was first established over 750 years ago when Henry III granted Callington a market-day on the first Wednesday in October. This was for local beekeepers to sell their honey. Following a lapse in Honey Fair Day during the Second World War, it was reinstated in 1978 by John Trevithick and then a year later Lions took over the running of the event and have been organising it ever since.

Callington Lions agreed that after 45 years, the covid period and last year's lower public response, it was time for a change.

Holding Honey Fair day on the first Wednesday of October restricted schools, youngsters, workers and families being able to attend.

Following discussions with many, it was concluded that it could be made more family friendly by holding the Fair on a Saturday. This would allow many more to enjoy the stalls, animals, street performers and all that Honey Fair can offer.

Lions would still retain the traditional events of Town Crier competition, music, school art competition, shop art and much more.

In the meantime, Callington Lions are busy helping those in need such as Ukraine and to make donations to Callington Foodbank, Plymouth Soup Run and other such good causes.

At a recent meeting five long service awards were issued. The members being awarded here by Lions President, Don Berrey are: Hewie Hewitson, 25 years; Emma Burnard and Ian Robertson, 10 years of service. Karen Toft, 20 years, and Scott Delbridge, 10 years, also celebrated their long-term commitment to Callington Lions.

If you would like to join Callington and District Lions, please contact the membership secretary on 0845 833 7527 or for further information on Callington Lions please see their website: <https://www.facebook.com/CallingtonLionsNews/>

The Woman King is the remarkable story of the Agojie, the all-female unit of warriors who protected the African Kingdom of Dahomey in the 1800s with skills and a fierceness unlike anything the world has ever seen. Inspired by true events, The Woman King follows the emotionally epic journey of General Nanisca (Oscar®-winner Viola Davis) as she trains the next generation of recruits and readies them for battle against an enemy determined to destroy their way of life. Some things are worth fighting for.

# THE BATTLING BUTLERS

*It's a family affair*

**Friday 28th April**

**7.30pm**

**Callington Town Hall**

Juggling babies, toddlers on stilts and teaching your kid, Joey, to ride his first unicycle.....

These are all part of everyday life for showman, Joe Butler, in this poignant, family love story involving the ever-changing relationship of a father-and-son double act, The Battling Butlers.

What sort of parent actually encourages their five-year-old to play with fire?

Using a unique blend of physical theatre, circus skills, original songs and live music, The Battling Butlers is a study in role-reversal and the inevitability of change, as the old order makes way for the new.

*The Battling Butlers* is a real family affair, performed by father and son, Simon Pullum and Lochlann Pickering, with original live music from Julian Gaskell.

Licensed bar available.

Tickets available from Callington Town Hall, Victoria Eyton or via Eventbrite.

## 1st Callington Scout Group

Squirrels buddied up with children from our other sections. Their buddy brought along a story to share and read to them. After listening, they completed a book review and worked together to create a bookmark. The following week, Squirrels completed various activities based on the book 'The Smeds and The Smoos'. They mixed up some delicious pink milk, created a tune, invented an alien and made up a story using stick puppet characters. They've also been learning about Holi and how it's celebrated. They made their own colourful handprint, skittles rainbow, went on a colour scavenger hunt and did some marble painting.

Beavers have been helping the animals in the wild, making some fabulous tin bee and ladybug hotels. They have also shared their hobby with the rest of the Colony, showing what they now know and have learnt after taking part in it for six weeks.

Cubs have been thinking about where their belongings are made, exploring the advantages and challenges of things being made far away. They've also been considering what items they would take to survive if they faced an extreme weather event. After researching an international charity that supports global issues, they presented to the Pack in their Sixes, helping the others learn about what their charity does and why it is important. They've also travelled back in time to explore how Scouts have supported refugees and how their empathy to those in need has made a difference. The Cubs have also had an action-packed camp doing backwoods cooking, burning off their energy at the park and playing plenty of games.

In February, Scouts attended Winter Camp with 200+ Scouts from all around the County. They took part in lots of amazing activities! These included archery, tunnelling, air rifle shooting, go karts, aerial runway, giant pioneering and many more. Now, they've made a start on their 'Survival Skills' badge. We have covered lots so far - knife safety and sharpening, ground to air symbols, campsite hygiene, signals, making survival kits, First Aid, building shelters and all things fire.
