The event will run from 2pm – 11pm with a bouncy castle, food vendors and alcohol being available for the event from various companies. All paperwork is in place. 9.	<p><u>Cemetery/Chapel</u> FOR DISCUSSION – Clerk to give an update on the electricity consumption at the Chapel.</p>

	<p>The Clerk had received a quote to replace the two individual electricity meters in the Cemetery Chapel, amounting to £170 + VAT each. These meters would identify the individual usage of the Heritage Centre and Town Band and make it easier to apportion the utility bill. She then went on to explain that, in previous written agreements, it had been agreed that the Heritage Centre would pay 48%, the Town Band 32% and the Town Council 20% of the electricity bill, which all parties had acknowledged and were in agreement with. She questioned whether the Town Council wanted to go to the expense of replacing the meters when this agreement was already in place.</p> <p>Resolved. Proposed Cllr Smith seconded Cllr Long to continue to divide the electricity bill as per the agreements. (8 support, 1 abstention PVW)</p>
10.	<p>FOR DECISION – renewal of agreements for use for the Heritage Centre and Town Band</p> <p>A lengthily discussion was held between Cllrs relating to the usage of the Chapel at the cemetery.</p> <p>Resolved.
