February 2024

NOWODHOW RAG KELLIWIK

MULTI USE GAMES AREA (MUGA), LAUNCESTON RECREATION GROUND

It is great news that the MUGA has now been completed. The project has taken a lot longer than was anticipated due to a design fault; drainage and the weather. All these things have now been rectified except the weather! The only thing outstanding is the markings for the basketball; football and cricket areas which cannot be done for about ten weeks but in the meantime the area can be used. The landscaping around the facility will be carried out once the ground has dried out - if the rain ever stops. There are some benches that will be installed once the landscaping has been done.

This project has been possible with the money the Town Council obtained from the Community Infrastructure Levy funding and also Bakers Estate for their S106 contribution. (Developer contributions is a collective term mainly used to refer to the Community Infrastructure Levy (CIL) and Planning Obligations)

This facility will be a great asset to the town and hopefully will be enjoyed by all members of the community.

**DEVON & CORNWALL
FOOD ACTION**

Can you help us, and we help you?

Many people are finding it difficult with the increasing costs we are all facing. Sometimes it seems difficult to know what to spend money on. We are also all aware of the crisis the environment is under. Trying to reduce our impact can seem too costly when we are on a budget. With an initiative from Devon and Cornwall Food Action you can make a difference. For £25 you can purchase goods worth over £80 and the produce does not end up in landfill.

CALLINGTON'S CHRISTMAS FESTIVITIES

Callington was buzzing on Saturday 3rd December with events organised by the Town Council, Callington Rotary Club and supported by local organisations. The day started with the Christmas Craft Fayre held in the Town Hall, where locally handmade gifts were on sale. Santa was in attendance in his Grotto and youngsters could visit him there, where they received a present. The Grotto had been erected by Outside Services staff and was well worth a visit to see how spectacular it was.

In the evening whilst waiting for the lights to be turned on Atonement, Vocal Footprint and Callington Town Band entertained those gathered which was overseen by Cllr Andrew Long. The lights were turned on by Santa who arrived on his sleigh along with Deputy Portreeve Steve Pound who was assisted by his youngest son Winston. Thank you to Dave Hoskin from DG Car Repairs & Tyres who ensured that Santa arrived safely on his sleigh. Also in attendance was the Portreeve Pete Watson and the Town Crier Tony Stentiford. Thank you to the Lions Club of Callington for their support in marshalling the event and to Callington Fire Brigade who assisted with the switch-on.

This was followed by a very successful Victorian Market which was held in the Pannier Market. Stall holders and organisers had gone to a lot of effort to dress in Victorian costume which added to the atmosphere. There was plenty of food producers and entertainment throughout the evening, which all added to a fabulous evening.

The Christmas trees this year looked spectacular and were purchased from Rising Sun Nurseries, Harrowbarrow. Thank you to Walter C. Parson Funeral Directors for allowing the use of their car park for a tree and to RPB Motors for hosting the tree at Kelly Bray. Also to Radland Building Supplies and Allan Petroc Building and Maintenance for their assistance with the erection of the trees.

Thank you to everyone who supported these events and to all who attended. Also to Cornwall Bakery, Tesco, Lions Club of Callington, Town Councillors and Staff who donated prizes for the raffle. It showed a real community spirit in Callington with such a tremendous turnout for all the events.

SWFC Orchestra & Choir Concert: 10th February 2024 Callington Methodist Chapel 7.30pm

On Saturday 10th February 2024 a group of freelance musicians are coming together to perform in Callington Methodist Chapel. The concert aims to raise money for Dementia UK. It is being put together by Paul Boase, he lost his mum in 2023 to Dementia. It is without doubt a very cruel disease. Organised to be around Valentines Day, this concert will feature many special pieces including solos and joint orchestra and choir numbers. It is a chance to remember those we love and have lost.

An act of remembrance will also take place during the concert. At the entrance to the concert will be a book, here you can write the name of any loved one that you have lost, these names will be read during the playing of Elgar's Nimrod. We are very grateful for our own Cornwall County Councillor Mr Andrew Long to be involved in the act of remembrance.

The support from fellow musicians and friends has been overwhelming for this concert, with the standard these freelance musicians play at, it is guaranteed to be an amazing concert.

Mark the date in your diary, please support a wonderful charity and please support these professional musicians who have come from all over the country and given their time for **free**.

Tickets are a modest **£5.00 and free for under 16**.

We are very grateful to our supporters in Callington, tickets will be available prior to the concert in Dawson Nott Estate agents, or you can purchase them at the door. We would advise you purchase them prior to ensure you have a seat.

Domestic abuse happens every day of the year.

If you're experiencing domestic abuse. Your abuser may be spending more time at home and monitoring your behaviour more closely. If you are experiencing abuse yourself or are concerned about someone you know, reach out and ask for help if you can.

Safer Futures provides support for people impacted by domestic abuse and sexual violence in Cornwall and the Isles of Scilly. You can contact them online at saferfutures.org.uk or call **0300 777 4777**.

Cornwall Refuge Trust provide a 24-hour helpline, offering support and advice for victims and survivors of domestic abuse. This helpline is open and can be reached on **01872 225629**.

If you need to talk to someone immediately the **National Domestic Abuse Helpline** can be reached 24/7 on **0808 2000 247**.

To talk to someone about your **mental wellbeing** you can call the 24/7 NHS mental health telephone support helpline on **0800 038 5300** for advice. Support is available to anyone, regardless of age, all day every day. If you are **feeling suicidal** and want to talk to someone about your thoughts and feelings, you can call **The Samaritans on 116 123**.

And remember if you or someone you know is at immediate risk, call 999.

Callington Town Band

Callington Town Band had an early start to Christmas on November 25th when some of its Main Band members joined members of the Training Band for their debut performance at Callington Primary School's Christmas Fair. Together they played Christmas carols to entertain the crowd of parents and friends who had turned up to purchase the wide assortment of goods on sale at the fair.

Then, in the evening, the Main Band set itself up on John Smith's forecourt to play to the folk who had come to watch the inaugural Kelliwik Golowi. With their music stands decorated with lights they played to an appreciative audience until the main parade reached St Mary's Square and the players were then able to enjoy the rest of the splendid entertainment.

If you are interested in learning more about playing with the Callington Town Band, either as a beginner or an experienced player, please contact Band Secretary, Shirley Morse, on 0792 638 4949 or shirleyamorse@gmail.com

Callington WI

Prior to Christmas, Callington WI had been very busy taking part in a variety of community activities.

At our monthly meeting in November we presented a cheque to Paul Carey for the Callington Youth Project. Paul then told members how the project was progressing and how the money would be used. At the end of November we planted two trees in Ayshton Gardens as part of the Forest for Cornwall. Members also helped out at the Kelliwik Golowi event with providing refreshments for participants in the Methodist Church. There were also members present at the Victorian Market suitably dressed in Victorian costume and thanks to the PrimRaf for their assistance with providing these.

During the monthly meeting in December members made a 'Christmas Angel' and also enjoyed refreshments supplied by the Committee. A very enjoyable evening was had by all members.

Instead of buying a Secret Santa present members brought along a donation for the foodbank. Alex Polglase came along to collect all the goodies donated.

Callington WI meet on the second Wednesday of each month in the Council Chamber of the Town Hall at 7.00pm and we would welcome anyone to come along and see what we get up to. Our next meeting is Wednesday 14th February when Andy and Emma Burnard will be coming along to talk to members about Cornwall and Devon Sending Love to Ukraine.

Contact Jill Trew, Secretary, for further information, callingtonwi@gmail.com or 01579 386939.

Scan me to keep updated with Callington WI

Kelly Bray Residents Association

Hello Everyone and a Happy New Year to you all. I hope you have recovered from the Christmas festivities! We had a very successful children's Christmas party in the Swingletree, Kelly Bray. This was the first time we had organised one. There were 47 children booked in, with free refreshments and a present for each child, the maximum we could manage. The party was from 4-6pm and Santa and his elf were very busy! The KB light switch-on was at 6pm and was very well attended. This was followed by mulled wine and mince pies, with a singer in the evening. All this was free, courtesy of the KBRA, the pub landlady, Karen and a business sponsor. Thankyou to everyone who helped to make it such a lovely event, especially to the pub staff, who worked very hard. Although it's a fairly small display, I think the lights look very good.

The KBRA meeting was held on 22nd November. The damage to Parsons Green pavement was discussed.

Recently, there have been council workmen there trying to repair the damage and also that part of Stoke Road.

The festoon lights for the Kelly Bray switch-on had been looked at and some bulbs replaced.

Speedwatch – the team of 3 volunteers is now ready to go. They have carried out their first watch and hope to have several sites from which to operate. They now have their own speed gun. Please observe the speed limits as per the signs.

There were no new planning applications affecting the Kelly Bray area.

The fountain on Launceston road has been badly damaged by a lorry. It will be repaired in due course and we will be checking on this at our next meeting,

Neighbourhood plan – it was explained that while this is not compulsory, it is necessary to protect our area from rogue developers. Without it, developers can do what they like, so the expenditure is warranted.

There are plans to expand the Callington Health Centre by buying the field behind it and extending the existing building. People are encouraged to use the automatic drug dispenser, as there is a shortage of pharmacy staff.

The next meeting is on 24th January at 7.30pm in the Swingletree.

We would like to congratulate Dr Jo Turner, chemistry and early careers teacher lead at Callington community college. She is the gold winner of the 'Teacher of the Year in a secondary school' in the 2023 Pearson National teaching awards. Well done to her! A great achievement and a real boost to the college.

I went to visit Ellie and Mel Peart recently at Timberframe Design and Build. This used to be the timber yard along Stoke Road going towards Stoke Climsland. The company has been here since 2016 and designs and manufactures timber panels for house structures and smaller buildings, such as garden rooms and even fairytale castles! Mel was originally in the RAF and Ellie working in management and her own businesses.

This business was started by default! Serial self-builders, they had chosen timber frame for their new home, but the supplier went bust before the ground floor was erected. Knowing no money would be refunded, the couple agreed with the business owner that the contents of his factory should be moved into premises in Liskeard with the intent of finishing their home, but before the end of the month, the couple had an order to design, manufacture and erect a house in Newton Ferrers!

From day one, it was decided the customer base would be the self-builder and the homeowner wanting to create additional living space in the garden. Ellie has surmounted a huge learning curve with regard to understanding the technicalities of timber frame design, structural engineering and Autocad design software. By listening and learning from other people in this field, she has mastered the system and is able to adapt designs in a practical way. I was very impressed by her attention to detail and the couple's down-to-earth attitude.

The timber comes from Sweden, as it is the best quality and very hardwearing. Every component part is cut to design in the warehouse and sent out, ready to build, even down to the last nail. A team of 3 or 4 people will take about 4 weeks to complete the timber build.

Ellie says 'timberframe manufacture is a straightforward process but it depends on complete accuracy and it has its complications. Every house is completely different and no two panels are ever exactly the same, thus work in the factory is varied and challenging. Having panels stacked in the factory and realising that is someone's dream house is almost surreal.'

So whether you are just considering this, or if you have designs/planning permission etc., call to make an appointment. You will be assured of a warm welcome and expert advice, as long as you take biscuits! They can be contacted on 01579 388800.

They like listening to Magic FM or Classic FM.

Favourite films are: Guardians of the Galaxy, Notting Hill and similar type films.

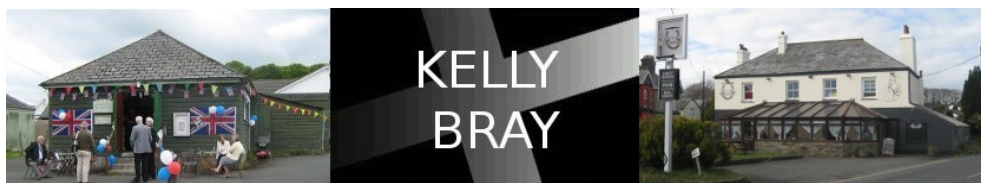

They would choose to eat, for a special meal, at the Springer Spaniel or Sunday lunch at the Manor House in Rilla Mill.

Thanks to both for their time and a nice cup of tea! I forgot the biscuits!

With best wishes

Sally Judges

Sallyjudges@hotmail.com

TWINNING NEWS

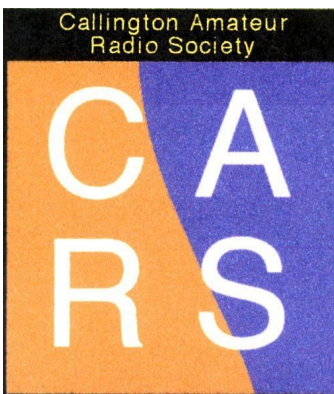

2024 marks a special year for Callington twinning, as we plan to celebrate 20 years of twinning between our town and Barsbüttel. What better way to mark this occasion than by showcasing Callington at its best and liveliest? To this end friends from Germany, together with fellow twinners from Guipavas (France) and friends from our Friendship Link in Keila (Estonia) will be invited to join with us from Thursday 9th - Monday 13th May. This coincides with MayFest so there will be no shortage of events to occupy visitors and their hosts.

If you have hosted before or you would like to host for the first time (we will provide lots of support) it promises to be a very enjoyable weekend. Obviously there will be lots to do and see in Callington on the Saturday and there will also be a joint meal with entertainment on the Friday evening, and a day excursion for all involved is planned for the Sunday.

Numbers are expected to be on the high side, so we will be looking for hosts for families, couples and singles. There is no need to be able to speak the language and five-star hotel treatment is not necessary – just a smile, a warm welcome and Google Translate!

For further information on how to get involved in twinning, please ring Sue on 01579 382705.

Sunday 17 March - Callington Radio and Electronics Rally

The Callington Radio and Electronics Rally will be held in the Town Hall, New Road, Callington, Cornwall, PL17 7BD on Sunday 17 March 2024.

Doors open from 10am. Entry is £2 each with no charge for those under the age of 16.

A comprehensive selection of traders, clubs and societies from the Southwest will be present along with a bring-and-buy stall and the usual excellent catering service.

The venue has excellent disabled access and there is ample car parking in a nearby public car park. See <https://www.callingtonradiosociety.org.uk/> for details.

Some Trader tables are still available at £5 for the large size and £3 for the smaller one. Booking is essential, so please contact Alastair, Kerr via alastair.kerr@btinternet.com or by phone on 01503 262755 with your requirements.

Fill in the puzzle so that every row across, every column down and every 3 by 2 by box contains the numbers 1 to 6.

CAVE

THE 4th THURSDAY IN THE MONTH IS FILM NIGHT IN CALLINGTON

Join us in February for:

“THE GREAT ESCAPER”

Running Time: 1hr 36 mins

In the summer of 2014, the 70th Anniversary of the D-Day Landings, octogenarian Bernie Jordan (Michael Caine) made global headlines. He'd staged a "great escape" from his care home to join fellow war veterans on a

beach in Normandy, commemorating their fallen comrades. It was a story that captured the imagination of the world: Bernie seemed to embody the defiant "can-do" spirit of a generation that was fast disappearing. But of course, it wasn't the whole story. It was the story we all tell ourselves to make war and old age bearable. The bitter-sweet script explores the reality with wit and a very big heart. Bernie's adventure, spanning a mere 48 hours, also marked the culmination of his 60-year marriage to Irene (Glenda Jackson). The story celebrates their love without sentimentality and with an eye to the lessons we can all learn from the Greatest Generation.

“A moving and surprisingly nuanced drama offering far more than flag-waving nostalgia. Superb performances from Michael Caine and Glenda Jackson.”

Thursday 22nd February

Callington Town Hall Council Chamber

Doors open at 7.15pm for membership registration

Members' entrance: Adults: £4 U18s: £3

CORNWALL
FOOD ACTION**

**Callington
Town Council**

Can you help us, and we help you?

Many people are finding it difficult with the increasing costs of living. Sometimes it seems difficult to know what to spend money on, heating or eating. We are all aware of the crisis the environment is under and trying to reduce our impact can seem to costly when we are on a budget. With an initiative from Devon and Cornwall Food Action you **can** make a difference.

For **£25** (cash or card payment) you can purchase goods worth over £80 and the produce does not end up in landfill.

Callington Town Council and Devon & Cornwall Food Action Group are pleased to be able to provide this service to the Parish of Callington & Kelly Bray. The first event will be held on **Thursday 29th February 2024** in the **free car park on Saltash Road** between **11:30am and 1:00pm** where you can collect and pay for your ordered boxes. Please bring plenty of your own bags.

If you would like to order a box please complete the form opposite and return to the Town Council by **Monday 26th February 2024** or alternatively email enquiries@callington-tc.gov.uk or call **01579 384039** between 9am and 2pm. We will call to confirm your order.

Devon and Cornwall Food Action started in 2010 with the aim of helping people experiencing food poverty by redistributing donated surplus produce via food boxes.

Devon and Cornwall Food Action's aim is to help any individual, family or community who are experiencing food poverty, or financial instability. However food boxes are available to anybody to assist us in reducing food waste.

DCFA is not a foodbank. We work with food producers and supermarkets to redistribute surplus food. The food is still perfectly fit for consumption and would otherwise have been sent to landfill or disposed of.

Last year the equivalent of 200 tonnes of food was redistributed.

1st Callington Scout Group

1st Callington has been actively earning diverse badges in each section. Not to mention all the great games along the way! Remember, all sections are open to both girls and boys, with a few available spaces throughout. Scan the QR code to join the waiting list!

The Squirrels, reflecting on varied living spaces, crafted impressive buildings with excellent teamwork, including play parks and grand gardens within their creations.

Beavers successfully achieved the Global Issues badge. They explored recycling practices at home, played the race-to-recycle game, discussed FairTrade's global benefits, and crafted a water filter using sand and pebbles. Additionally, each Beaver created a poster about endangered animals.

Cubs pursued the International badge with a focus on Diwali. Engaging in activities like Tambola and creating an Ambari elephant magnet, they also made edible sparklers, embracing the festival's traditions. Drawing the World Scout Badge, they delved into its symbolic meanings.

Scouts wrapped up the Electronics badge by identifying component symbols, building circuits to demonstrate series and parallel configurations, measuring voltages, and engaging in quizzes and games to enhance their understanding of electricity flow. Scouts successfully finished the latter part of the Electronics badge, engaging in a game illustrating computer logic and the application of binary in computing calculations. They proceeded with a task deciphering component values using the colour code, revisiting some concepts from the previous session.

To join our waiting list,
scan the QR code and
fill in the required details.

Squirrels (4 - 6 yrs) - Monday 4:00 - 5:00pm **Beavers (6 - 8 yrs) - Thursday 5:30 - 6:30pm**
Cubs (8 - 10½ yrs) - Thursday 6:45 - 8:15pm **Scouts - (10½ - 14 yrs) Friday 6:15 - 8:15pm**

Do not leave these in our collection bins

Thank you for the amazing support... we have raised over **£13,000** for charity

Gorsedh

Callington will be the host town for this year's Gorsedh Kernow. The Cornish Gorsedh celebrates the Celtic spirit of Cornwall and the Esedhvos Festival which features the iconic Bard ceremony will return to the town for the first time in over 40 years.

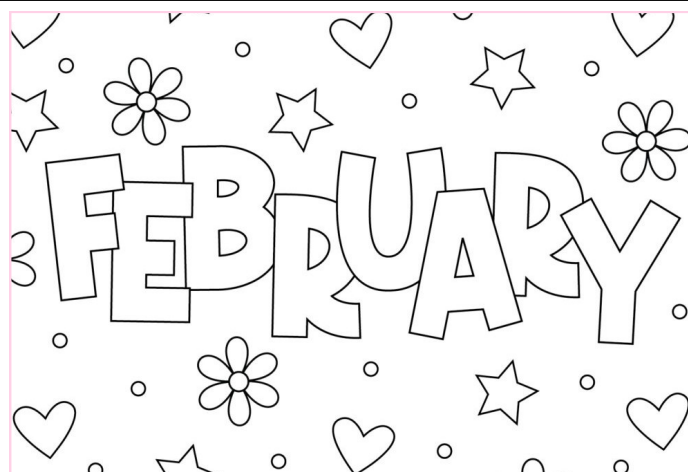

The event, which is the highlight of the cultural calendar for the Duchy will celebrate Cornish culture, language, music and traditions. The town will see hundreds of 'Bards' who are recognised for their service to preserving the Celtic identity, parade in their distinctive blue robes through the town.

Alongside the festival itself, organisers will be holding a series of events from gigs to a traditional Cornish 'Shout', walks and talks and more.

"We will be looking for volunteers to assist with the town council, the Old Cornwall Society and the Gorsedh itself to make this an event to remember", said Cllr Long.

"We're happy to have anybody that wants to get involved." Adding that there will be an open meeting in February for those that want to be involved.

SALTASH RECREATION GROUND

The wooden play equipment in Saltash Recreation Ground is beginning to deteriorate and over the last year a lot of maintenance work has been carried out on the equipment to keep it safe and usable for youngsters.

Although it is safe to use and is checked on a daily basis the Town Council is looking at replacing the play equipment. This will have to be done in stages due to finances but we will also be looking for any funding that is available to do this.

The first part of this process is replacing the swings which have already been ordered and will be installed by Outside Services staff in February.

But for the rest of the equipment we are asking for community input of what equipment you would like to see to replace the Mining Climbing area. Below are some ideas of what has been looked at, and what is available. Your comments would be very welcome, all equipment is suitable for children up to 11 years old.

Please scan the QR code to let us know what you think or send an email to enquiries@callington-tc.gov.uk

REFURBISHMENT OF THE TOWN HALL TOILETS

Work has commenced on the Town Hall toilets which have not been touched in over 20 years. It will be a gradual project as it is being done in stages starting with the mens toilets, then onto the ladies toilet and finally the disabled. This is so there will always be conveniences to use in the Town Hall.

ALLOTMENTS AVAILABLE NOW

- Saturday 24th** Live music with The Gold from 9.30pm

Opening Times;
Monday – Friday 4pm – Close
Saturday & Sunday 12pm – Close
New Members are always welcome

We will be raising money, throughout the year, for our chosen charity, Callington Memory Café.

A BIG “thank you” to everyone who donated coats in the recent “Wrap Up” project. We were overwhelmed by the generous response. Rotary in Southeast Cornwall joined together to make this happen. By siting collection boxes in local businesses and community venues, we collected nearly 700 warm coats which were distributed via local homeless shelters, refugee centres,

organisations supporting the elderly, women’s refuges, children’s centres and other charities helping people in crisis.

We do not give coats direct to families, because we believe that the charitable organisations can identify support and resources to benefit those in need or signpost them to organisations that could help, thereby creating a lasting relationship between those in need and the organisation that could transform their lives.

Our thanks go to the venues which hosted collection boxes and the charities who are distributing the coats. The project will be repeated next winter, so please don’t throw away good coats.

Similarly, we were delighted by the support shown at the Victorian Market in early December. Footfall was tremendous and the stallholders were pleased with the number of people browsing their stalls and purchasing their wares. Look out for an even bigger and better event in 2024!

Look out for our next couple of events: on Saturday 2nd March we will once more be holding our annual Race Night in Callington Town Hall – but one like you’ve never seen before. The evening will be OPEN TO ALL – and we would love to see families and children present. There will be a hot meal included in the ticket price (children under 12 will be FREE) and there will be a licensed bar with soft drinks available.

Come and be astounded by the LIVE jockeys – and the horses will be beyond belief! Save the date and have a great, fun-filled, family night out.

Watch out for our next BIG BREAKFAST coming soon!

Why not get involved with Callington Rotary? Do something for others, whilst doing something for yourself.

It's a definite win-win!

Ring Roy on 07484 613 198 or email membership@callingtonrotary.org for more details.

Fit for Life Massage Therapy is based in Callington, Cornwall. We offer individually tailored massage in a calm, relaxing environment.

Sports Massage
Helps recovery from sporting injuries, muscle aches and pains and improves flexibility and range of motion

Therapeutic Massage
Relaxing deep tissue massage relieves muscle tightness and soreness, increases circulation, eases tension headaches and increases joint flexibility

Manual Lymphatic Drainage

- Treatment for managing lymphoedema
- Lymphoedema is a swelling caused by a build-up of tissue fluids, maybe due to radiotherapy, surgery, cancer treatment or trauma
- Fit for Life will work gently with the client to help manage arm and leg oedema and help the client learn self-lymphatic drainage techniques.

Lymphoedema Training Academy

ShakeFitness

Personal Trainer and Fitness Class Provider

As an experienced personal trainer with over 28 years of experience to include working as a Royal Navy Physical Training Instructor and as a Fitness Leader for Police, I am able to offer personalised training sessions for individuals, small groups and large classes in and around the Callington area.

Whether you have a specific goal to lose weight, get healthier or pass a job related or recruitment fitness test, I can help you. Personal sessions start at £30 per hour at my purpose built facility.

If you're looking for a more community-based experience, come along to my HIIT and Circuit Training/Boot Camp class currently held at Callington Community Sports Centre at Callington Community College every Tuesday and Thursday from 6pm

For more information on classes and services offered, visit my website or give me a call!
